

Sample Format 7 for New (Type 1), Competing Renewal (Type 2) or Supplemental (Type 3) MBRS SCORE Applications

Face Page for Investigator-Initiated Research Project

Grant Number: S06 GM _____(provide only if a competing renewal or supplement):

Institution: _____

1. Descriptive Title: (56 characters or less, including spaces)

2. Investigator(s): Last Name First M.I. Degree Department

3. Type of Project:

Research Project _____ Pilot Research Project _____

New project : _____ Revised Application: _____ Competing renewal : _____

If revision, Previous Submission Date: _____

If completing renewal, Duration of prior support: _____ Years. Level of support:

\$ _____ avg./per year excluding equipment. Number of FTE researchers:

_____ per year

Is progress report included? Yes _____ No _____

If previously supported by another NIH Institute or other federal agency:

Grant(s) number(s): _____, Period of support: _____.

Level of support: \$ _____ avg. per year.

Number of research workers engaged on the project per year _____.

4. Protection against Research Risks:

A. Will human subjects be involved? Yes: _____ No: _____

If "yes" is Research Exempt? Yes: _____ No: _____ If "yes" Exemption Number:

B. Will vertebrate animals be used? Yes: _____ No: _____

If "yes, list the species _____ and estimate the number to be used per year.

C. Are there potential hazards (including biohazards) to laboratory workers (carcinogens, pathogens, ionizing radiation, etc.) involved in the proposed research?

Yes: _____ No: _____

If yes, identify these below and address safety considerations in the text:

i.

ii.

iii.

iv.

v.

Signature (PI) _____
