**Revisions and Clarifications to the Export Administration Regulations: Czech Republic, Hungary and Poland**

AGENCY: Bureau of Export Administration, Commerce.

ACTION: Final rule.

**SUMMARY:** The Bureau of Export Administration maintains the Export Administration Regulations (EAR). This rule amends the EAR by removing the license requirements for certain regional stability items and for certain crime control items destined to the Czech Republic, Hungary and Poland to correctly reflect the status of those countries as NATO members.

**DATES:** This rule is effective: March 18, 2002.

**FOR FURTHER INFORMATION CONTACT:** Joan Roberts, Acting Director, Office of Strategic Trade and Foreign Policy Controls, Bureau of Export Administration, Telephone: (202) 482–0171, E-mail: [jroberts@bxa.doc.gov](mailto:jroberts@bxa.doc.gov).

**SUPPLEMENTARY INFORMATION:**

**Background**

The Bureau of Export Administration (BXA) maintains controls on certain military related items, such as military vehicles and certain specially designed commodities to be used to manufacture military equipment. These controls ensure regional stability in support of foreign policy. BXA also maintains controls on certain crime control and detection instruments and equipment, and related technology and software as a matter of foreign policy, to promote the observance of human rights throughout the world. Countries to which exports and reexports of these items are controlled are identified in Supplement No.1 to part 738 of the

EAR, the Commerce Country Chart, by an X in the regional stability (RS) column identifier RS 2; and crime control (CC) column identifiers: CC 1, CC 2, or CC 3. This rule amends the license requirements for certain crime control items destined to the Czech Republic, Hungary and Poland because these countries were recently admitted to NATO. The EAR is amended to correctly reflect the status of these countries as NATO members.

**Rulemaking Requirements**

1. This final rule has been determined to be not significant for purposes of E.O. 12866.

2. Notwithstanding any other provision of law, no person is required to respond nor shall any person be subject to a penalty for failure to comply with, a collection of information, subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number. This rule involves a collection of information subject to the Paperwork Reduction Act of 1980 (44 U.S.C. 3501 *et seq.*). This collection has been approved by the Office of Management and Budget under control number 0694-0088, "Multi-Purpose Application," which carries a burden hour estimate of 45 minutes for a manual submission and 40 minutes for an electronic submission.

3. This rule does not contain policies with Federalism implications sufficient

to warrant preparation of a Federalism assessment under Executive Order 13132.

4. The provisions of the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, the opportunity for public participation, and a delay in effective date, are inapplicable because this regulation involves a military and foreign affairs function of the United States (See 5 U.S.C. 553(a)(1)). Further, no other law requires that a notice of proposed rulemaking and an opportunity for public comment be given for this final rule. Because a notice of proposed rulemaking and an opportunity for public comment are not required to be given for this rule under 5 U.S.C. 553 or by any other law, the analytical requirements of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) are not applicable.

Therefore, this regulation is issued in final form. Although there is no formal comment period, public comments on this regulation are welcome on a continuing basis. Comments should be submitted to Sheila Quarterman, Regulatory Policy Division, Bureau of Export Administration, Department of Commerce, P.O. Box 273, Washington, DC 20044.
