INSTRUCTIONS FOR COMPLETION OF AN EU EXPORT CERTIFICATE REQUEST

1. Please read ALL directions before starting the process of completing a request form.
2. Companies with a current contract with the USDC Seafood Inspection Program may proceed to STEP 3. A company that does not have a current contract with the USDC Seafood Inspection Program needs to pre-pay for all certificates requested. Each certificate will require payment of \$103.50US. Payments must be made through the Pay.Gov website. [Click Here](#) to access the website.
 - a. Enter all information requested on the Pay.Gov website
 - b. Enter TEUCER as the vendor ID
 - c. The bill number should be left blank Click submit data
 - d. Fill in the payment information. Bank transfers are the first section; credit cards are in the second section. Click on continue
 - e. Enter your email and check the authorization box. Click submit payment
 - f. You will receive an email from pay.gov with your payment confirmation number. You will need to enter your “Agency Tracking ID” on your EU Export certificate request as proof of payment.
3. Choose the appropriate menu for product to be exported. All molluscan shellfish will use the specialized Molluscan Shellfish certificate. All other fishery product will use the Fishery Products certificate.
4. Identify the “Port of Entry” into the EU. Go to the menu for PDF Certificates and download the EU Export Certificate Request Form / EU Export Certificate appropriate to the port. The certificate is required to be completed in the language of the exporting country and the country of the “Port of Entry” into the European Union. All PDF certificates have already been formatted for English, choose the appropriate certificate for the country at port of entry.
5. All entries in the Request Form section are mandatory. (Including the “Agency Tracking ID.” This is your proof of payment and certificate will not be processed without payment. Contract companies will enter their USDC contract number)
6. Read directions for completion of EU Molluscan Shellfish Certificate and fill the export certificate template accordingly. http://www.seafood.nmfs.noaa.gov/EU_Certificates.html
