General Instructions

Section references are to the Internal Revenue Code.

Purpose of Form

Donee organizations use Form 8282 to report information to the IRS and donors about dispositions of certain charitable deduction property made within 3 years after the donor contributed the property.

Definitions

Caution. For Form 8282 and these instructions, the term "donee" includes all donees, unless specific reference is made to "original" or "successor" donees.

Original donee. The first donee to or for which the donor gave the property. The original donee is required to sign Form 8283, Noncash Charitable Contributions, Section B. Donated Property Over \$5,000, presented by the donor for charitable deduction property.

Successor donee. Any donee of property other than the original donee.

Charitable deduction property. Any donated property (other than money and publicly traded securities) if the claimed value exceeds \$5,000 per item or group of similar items donated by the donor to one or more donee organizations. This is the property listed in Section B on Form 8283.

Who Must File

Original and successor donee organizations must file Form 8282 if they sell, exchange, consume, or otherwise dispose of (with or without consideration) charitable deduction property (or any portion) within 3 years after the date the original donee received the property. See Charitable deduction property above.

If the organization sold, exchanged, or otherwise disposed of motor vehicles, airplanes, or boats, see Pub. 526, Charitable Contributions.

Exceptions. There are two situations where Form 8282 does not have to be filed.

1. Items valued at \$500 or less. The organization does not have to file Form 8282 if, at the time the original donee signed Section B of Form 8283, the donor had signed a statement on Form 8283 that the appraised value of the specific item was not more than \$500. If Form 8283 contains more than one item, this exception applies only to those items that are clearly identified as having a value of \$500 or less. However, for purposes of the donor's determination of whether the appraised value of the item exceeds \$500, all shares of nonpublicly traded stock, or items that form a set, are considered one item. For example, a collection of books written by the same author, components of a stereo system,

or six place settings of a pattern of silverware are considered one item.

2. Items consumed or distributed for charitable purpose. The organization does not have to file Form 8282 if an item is consumed or distributed, without consideration, in fulfilling your purpose or function as a tax-exempt organization. For example, no reporting is required for medical supplies consumed or distributed by a tax-exempt relief organization in aiding disaster victims.

When To File

If the organization disposes of charitable deduction property within 3 years of the date the original donee received it and the organization does not meet exception 1 or 2 above, the organization must file Form 8282 within 125 days after the date of disposition.

Exception. If the organization did not file because it had no reason to believe the substantiation requirements applied to the donor, but the organization later becomes aware that the substantiation requirements did apply, the organization must file Form 8282 within 60 days after the date it becomes aware it was liable. For example, this exception would apply where Section B of Form 8283 is furnished to a successor donee after the date that donee disposes of the charitable deduction property.

Missing information. If Form 8282 is filed by the due date, enter the organization's name, address, and employer identification number (EIN) and complete at least Part III, columns 1, 2, 3, and 4; and Part IV. The organization does not have to complete the remaining items if the information is not available. For example, the organization may not have the information necessary to complete all entries if the donor did not make Section B of Form 8283 available.

Where To File

Send Form 8282 to the Internal Revenue Service Center, Ogden, UT 84201-0027.

Other Requirements

Information the organization must give a successor donee. If the property is transferred to another charitable organization within the 3-year period discussed earlier, the organization must give the successor donee all of the following information.

- **1.** The name, address, and EIN of the organization.
- **2.** A copy of Section B of Form 8283 that the organization received from the donor or a preceding donee. The preceding donee is the one who gave the organization the property.
- **3.** A copy of this Form 8282, within 15 days after the organization files it.

The organization must furnish items 1 and 2 above within 15 days after the latest of the date:

- The organization transferred the property,
- The original donee signed Section B of Form 8283, or
- The organization received a copy of Section B of Form 8283 from the preceding donee if the organization is also a successor donee.

Information the successor donee must give the organization. The successor donee organization to whom the organization transferred this property is required to give the organization its name, address, and EIN within 15 days after the later of:

- The date the organization transferred the property, or
- The date the successor donee received a copy of Section B of Form 8283.

Information the organization must give the donor. The organization must give a copy of Form 8282 to the original donor of the property.

Recordkeeping. The organization must keep a copy of Section B of Form 8283 in its records.

Penalties

Failure to file penalty. The organization may be subject to a penalty if it fails to file this form by the due date, fails to include all of the information required to be shown on this form, or fails to include correct information on this form. The penalty is generally \$50. For more details, see section 6721.

Fraudulent identification of exempt use property. A \$10,000 penalty may apply to any person who identifies in Part III tangible personal property the organization sold, exchanged, or otherwise disposed of, as having a use that is related to a purpose or function knowing that such property was not intended for such a use. For more details, see section 6720B.

Additionally, for the period of time the organization owned the property, explain how it was used. If additional space is needed, attach a statement.
