Privacy Act and Paperwork Reduction Act Notice

The Privacy Act and the Paperwork Reduction Act require that when we ask you for the information, we must first tell you our legal right to ask you for information, why we are asking for it, and how it will be used. We must tell what could happen if we do not receive it and whether your response is voluntary, require to obtain a benefit, or mandatory under the law.

As a participant of the Tax Forms Outlet Program (TFOP), your response is voluntary to obtain the tax items and tax information offered in the distribution program. If you do not submit the requested information, your account may not remain in the program.

You are not required to provide information requested on a form that is subject to the Paperwork Reduction Act unless the form displays a valid OMB control number. Books or records relating to a form or its instructions must be retained as long as their contents may become material in the administration of any Internal Revenue Law. Generally, tax returns and return information are confidential, as required by Code section 6103.

The time needed to complete Form 9383 will vary depending on individual circumstances. The estimated average time is six minutes. If you have comments concerning the accuracy of these time estimates or suggestions for making this form simpler, we would be happy to hear from you. You can write to the Tax Products Coordinating Committee, SE:W:CAR:MP:T:T:SP, 1111 Constitution Ave. NW, IR-6526, Washington, DC 20224. DO NOT mail your order blank (Form 9383) to this address.
