EDUCATION

***FIELD NATURALIST • Burlington, VT**

The Field Naturalist and Ecological Planning master's degree programs at the University of Vermont provide collaborative, integrative, multidisciplinary field training in landscape ecology, environmental problem solving, and ecology-based land-use planning. Students work on real-world problems in the field and learn approaches to understanding how ecosystems work. Field naturalist focuses mainly on integrating the social dimensions of environmental understanding with the field naturalist approach. RPCVs are encouraged to apply (approximately 50 percent of past graduates have been RPCVs). Contact the Field Naturalist/Ecological Planning Program, Department of Botany, University of Vermont, Burlington, VT 05405; phone: 802.656.2930; website: www.uvm.edu/~wpoleman/fnwebpage.html.

***SUNBRIDGE COLLEGE • Spring Valley, NY**

Sunbridge College is a registered and accredited college offering master's and certificate programs in Waldorf education and related fields inspired by the work of Rudolf Steiner (1861-1925). Full-time programs include foundation studies, Waldorf teacher education, and early childhood education (M.S. options). Part-time certificate programs with M.S. options include teacher education (elementary, music, and gardening teachers), early childhood education, remedial education, and Waldorf School administration and community development. Other part-time certificate programs include biodynamic gardening and agriculture, biography/social art, and applied arts. RPCVs receive special consideration for tuition assistance. Contact at phone: 845.425.0055; e-mail: info@sunbridge.edu; website: www.sunbridge.edu.

***TULANE UNIVERSITY • New Orleans, LA**

Tulane University School of Public Health and Tropical Medicine has rolling admissions and is accepting applications for the summer and fall 2004 semesters. RPCVs interested in pursuing master's or doctoral degrees in public health may specialize in biostatistics, epidemiology, tropical medicine/parasitology, community health, health systems management, environmental health, or international health and development. Contact Amanda Morrison or Adam Palmer, Tulane Peace Corps Coordinators, at phone:

800.676.5389; e-mail: tulanemi@yahoo.com; website: www.sph.tulane.edu.

SCHOLARSHIPS • Monterey, CA

Scholarships ranging up to \$10K are available at the Monterey Institute of International Studies for qualified RPCVs interested in the following internationally focused graduate programs: M.B.A., international and environmental policy studies, public administration, translation and interpretation, TESOL and teaching foreign languages. The institute prepares students for international careers in the private, public, and nonprofit sectors. Half our students come from over 50 countries. Most Americans have lived, worked, or studied abroad. The Monterey Institute also offers the Peace Corps Master's International program in M.B.A. and TESOL. To apply, contact at phone: 831.647.4123, 800.824.7235; e-mail: admit@miis.edu; website: www.miis.edu.

***MIDWEST TEACHER TRNG. • Madison, WI**

Earn a TEFL certificate in a five-week intensive on-site teacher training program that prepares trainees to teach English in classrooms overseas. RPCVs receive a 10 percent tuition discount with proof of service. The program offers a hands-on approach to teaching and provides practice teaching, classroom observations, and job placement assistance. Midwest is part of an ESL school providing opportunities to interact with professional teachers and international students. No teaching experience required. For a brochure, contact Midwest Teacher Training Program, 19 North Pinckney Street, Madison, WI 53703; phone: 800.765.8577; e-mail: info@mtpt.com; website: www.mtpt.com.

***UNIV. OF PENNSYLVANIA • Philadelphia, PA**

The University of Pennsylvania's post-baccalaureate premedical program offers students the opportunity to develop required strengths, skills, and experiences to gain admission to leading medical, dental, and veterinary schools. Practical and theoretical approach combines classroom work in science and clinical opportunities at area medical centers. Early admissions arrangements with several medical schools are available. Students can study full or part time, take day or evening classes, and have affordable tuition. Contact Premedical Programs, University of Pennsylvania, College of General Studies, Suite 100, 3440 Market Street, Philadelphia, PA 19104; phone: 215.898.3110; fax: 215.573.2053; e-mail: prehealth@sas.upenn.edu; website: www.sas.upenn.edu/CGS/postbac.

***BEN-GURION UNIV. • Beersheva, Israel**

In collaboration with Columbia University's Health Sciences Division, the medical school at Ben-Gurion University of the Negev offers a four-year medical degree program in international health and medicine. The program is taught in English and enrolls students seeking a medical degree with special skills in cross cultural, community, and preventive medicine. Students take the U.S. Medical Licensing Exam and are expected to complete residencies in the United States. The program is U.S. Department of Education-approved for participation in federally funded student loan programs. Contact at 630 West 168th Street, PH15E-1512, New York, NY 10032; phone: 212.305.9587; e-mail: bgcumd@columbia.edu; website: cpnnet.columbia.edu/dept/bgcu-md.

***UNIV. OF THE PACIFIC • Stockton, CA**

The School of International Studies, in conjunction with the Intercultural Communication Institute of Portland, Oregon, offers a master of arts in intercultural relations (MAIR). This limited-residency program is designed for working professionals who wish to obtain an advanced degree while maintaining employment or other commitments. The program takes two-and-one-half to three years to complete. Students complete the core courses in 18 months through attendance in three two-week residencies held in the Portland area. Assignments for the core courses are completed at home. RPCVs receive special consideration for admission. Contact at phone: 209.946.2836; e-mail: kjaggears@uop.edu; website: www3.uop.edu/sis/mair/ma.htm.

Crisis Corps Recruiting Short-Term Volunteers

Guinea

Program Analyst Volunteer: Africare seeks a Volunteer to work on its post-harvest management project designed to improve the nutritional status of women and children, decrease post-harvest losses, and build capacity of local institutions to resolve food insecurity problems. Duties: conducts a study on the material, equipment, and training needs for post-harvest management; prepares training module and facilitates training sessions; assists women’s groups in preparation of marketing plans for transformed foods. Qualifications: West Africa RPCV in community development, natural resources management (NRM), agriculture, health nutrition, or education sectors; ability to write and speak French fluently; experience with program analysis and form; computer literate.

HIV/AIDS Specialist: Africare recently received funding to expand its Service Corps program to four additional districts in Dinguiraye Prefecture. Duties: reviews and assesses the monitoring and evaluation framework and other documentation related to health/nutrition and HIV/AIDS; develops a template for data analysis; creates PowerPoint presentation and brochure for HIV/AIDS activities. Qualifications: West Africa RPCV in community development, NRM, agriculture, health nutrition or education sectors; ability to write and speak French fluently; experience with program analysis and form; computer literate.

Program Assessment Volunteer: Africare has implemented food security activities in the Dinguiraye Prefecture since 1996 and is currently implementing the Guinea Food Security Initiative to improve food security at the community and household levels. Duties: conducts assessments and ensures targeted districts meet all health and nutrition criteria; works with staff to complete a Hearth Model manual/guidebook. Qualifications: West Africa RPCV in community development, NRM, agriculture, health nutrition, or education sectors; ability to write and speak French fluently; experience with program assessment; experience with/understanding of Hearth Model; computer literate.

Malawi

Nutrition Program Development Trainer: One Volunteer needed for a six-month assignment to work on a nutrition and food security program with a participatory rural development organization. Duties: provides staff with nutrition training and skills to strengthen capacity of the organization; develops a nutrition training curriculum; creates or adapts visual training aids; sets up nutrition “model” villages, which include activities such as home gardens, improved cooking methods, meal planning, food preservation, and home-based care. Qualifications: One year of experience in nutrition programming training; knowledge of links among food security, nutrition, and HIV/AIDS; teaching and mentoring skills; computer skills with the ability to develop training materials and visual aids; Africa RPCV.

Apply Now

We anticipate placing Volunteers in the Dominican Republic in response to recent flooding in that region. RPCVs from the Caribbean region with previous relief experience are highly encouraged to apply now. We also anticipate HIV/AIDS education assignments in West Africa to open soon. Africa RPCVs with significant HIV/AIDS education experience should apply today.

Current Crisis Corps Countries

Volunteers are currently serving in Cameroon, Ecuador, Ghana, Guinea, Malawi, Namibia, Suriname, and Tanzania.

Because of mail delivery difficulties, Crisis Corps requests that applications and résumés be faxed to 202.692.2251 or e-mailed to crisiscorps@peacecorps.gov. An application and additional position information can be downloaded from the Crisis Corps website at www.peacecorps.gov/rpcv/crisiscorps; or call 800.424.8580, ext. 2250.
