EDUCATION

M.A. IN DEVELOPMENT STUDIES • Swansea, United Kingdom

The Centre for Development Studies Swansea offers a range of M.A. programs that combine innovative professional methods and best practice with academic rigor. Programs include social development planning and management, development management, development management with international health, environmental resources management and development, population movement and policies, development and communication, and human rights (starting in 10/2006). Scholarships are available. For more information and to apply, visit www.swan.ac.uk/cds/teaching/index.htm; e-mail: h.lewis@swansea.ac.uk.

APPRENTICESHIP IN ECOLOGICAL HORTICULTURE • Santa Cruz, CA

The Center for Agroecology and Sustainable Food Systems at University of California, Santa Cruz, offers a full-time, six-month apprenticeship in ecological horticulture. Train in the concepts and practices of organic gardening and small-scale sustainable farming. Blend the virtues of experiential learning with traditional classroom studies on topics that include soil management, composting, pest control, crop planning, irrigation, farm equipment, and direct marketing techniques. Graduates have established their own commercial farms and market gardens, run community gardens for inner city and prison populations, and work on international development projects. There are several scholarships available. For more information and to apply, write Apprenticeship Information, CASFS, UCSC, 1156 High Street, Santa Cruz, CA 95064; phone:

Crisis Corps Recruiting Short-Term Volunteers
