SAFETY AWARD FOR EXCELLENCE VENTURA DISTRICT

PACIFIC OCS REGION
1340 WEST SIXTH STREET
LOS ANGELES, CA 90017

SHELL WESTERN E&P, INC. - BETA PRODUCTION

This award is presented in recognition of exemplary compliance with applicable operating rules and regulations and the maintenance of operations in the offshore Long Beach Area of the Ventura District in a safe and pollution-free manner.

The Shell Western E&P Inc., Beta Production Unit, during the period January 1 through June 30, 1989 has been inspected by Minerals Management Service personnel twenty-one (21) times. These inspections were performed on Platforms Ellen and Elly and Platform Eureka, located in the offshore Long Beach Area. The results of each inspection indicated the Shell Western E&P, Inc., Beta Production Unit, was performing in an exemplary manner and in performance with Statutory Requirements for conducting production operations on the Outer Continental Shelf.

The Secretary of the Interior and Director of the Minerals Management Service commend you for your part in accelerating development of our offshore mineral resources, protection of the environment, and adherence to operating regulations.

J. Lisle Reed
Regional Director
Pacific OCS Region
