

NIEHS Fellowships in Environmental Medicine

Application Form for Awards beginning Summer 2009

Division of Intramural Research, NIEHS, Research Triangle Park, NC, 27709

Submit the Application electronically via email to: schrader@niehs.nih.gov

Required letters of reference and transcripts should be sent directly to:

William T. Schrader, Ph.D., Deputy Scientific Director
Division of Intramural Research
NIEHS
111 T.W. Alexander Drive
Research Triangle Park, NC 27709

Eligibility Criteria:

1. This program is intended for pre-doctoral students in the health professions only. Candidates must currently be enrolled in a medical school accredited by the Liaison Committee on Medical Education (LCME), a dental school that is accredited by the Commission on Dental Accreditation, or an osteopathic school that is accredited by the American Association of Colleges of Osteopathic Medicine (AACOM).
2. Candidates in M.D./Ph.D. programs are eligible to apply.
3. Candidates must have completed a year of clinical rotations prior to starting the program.
4. Candidates must be U.S. citizens or permanent residents.

Application Tips:

Choose an appropriate investigator at NIEHS who will serve as your preceptor for this research Fellowship. To access information about NIEHS intramural scientists and their research programs, see <http://www.niehs.nih.gov/research/atniehs/index.cfm>. A search engine is available at <http://tools.niehs.nih.gov/topics/> to guide in accessing specific research areas and methodologies.

1. Discuss with that person your interests and credentials. If that individual and you agree that you would be a good fit in that laboratory, then decide upon a suitable project that is mutually acceptable to you both.
 - a. The project should have relevance to your career interests in human health.
 - b. The project should be appropriate for the period of time proposed (typically, one year) and to your level of scientific/health skills
 - c. The project should be relevant to environmental health. A strong application will show how environmental factors will be studied with respect to the research.
2. The NIEHS PRECEPTOR shall write a letter or email addressed to Dr. William Schrader, outlining support for your candidacy, for the project itself, and their plans for you to be mentored during your project.
3. Please supply all requested information below. NIEHS will not accept your application if any of these fields is blank. If you wish to submit your application now but would like to take more time to compose your responses for some requested fields, you can do so by entering "placeholder" data (e.g., "To be submitted at a later date") in the relevant fields. It is your responsibility to update the entry by submitting a revised, complete application form prior to the deadline date.
4. Be sure that the e-mail addresses you provide for your references are accurate.
5. Proofread your application thoroughly for accuracy and completeness.

Division of Intramural Research, NIEHS, Research Triangle Park, NC, 27709

6. Apply as early as possible and encourage your references to submit their letters promptly using the electronic system.
7. The deadline for receipt of applications is February 27, 2009. Be sure that your letters of recommendation are submitted electronically by that date.

The Application Itself

I. Personal Information

Name:

First: _____

Initial: _____

Last: _____

Academic E-mail Address: _____

Current Mailing Address:

Address 1 _____

Address 2 _____

City _____

State _____

Zip Code _____

Country _____

Telephone Number for Contact during Business Hours: _____

II. Citizenship: _____

If Permanent Resident, Country of Citizenship _____

Alien Registration No. _____

III. Proposed Fellowship Period:

1. Requested starting date (month/year) _____

2. Requested duration (months) _____

IV. Academic Information

Professional School Name: _____

Medical School or Dental School or Osteopathic School

Your Current Year of Professional School: _____

Year of School for which you seek this Fellowship: _____

NOTE: All 4th year applicants who are selected to participate in the NIEHS Fellowship program must make arrangements with their medical, dental, or osteopathic school to defer graduation until after completing the Fellowship period. This requirement must be met prior to starting at NIEHS.
