

Protect-A-Park

It's time to get involved and give your land a hand!

Maricopa County is proud to be home of one of the largest regional park systems in the United States. The breathtaking flora and fauna and the vast array of interpretive programs rank these extraordinary parks among the most beautiful places in Arizona.

The Protect-A-Park program offers businesses, individuals, and clubs an opportunity to volunteer their time and skills to enhance a County park area that is near and dear to their heart. Whether time is spent, painting, repairing, or simply picking up litter, together we can preserve this amazing park system for all to enjoy. Get involved and give your land a hand!
