

Summary of Section 3 Changes

Affected Section or Subsection	Description of Change
General	<ul style="list-style-type: none"> • Revised the page numbers for the standard documents to reflect revisions to Appendix C. • Added a header to read “Document Control Procedures Manual [September 2006].” • Added a footer to read “Section 3.”
Subsections 3.1.1 and 3.2.1	Included information to cover all options for refunds of review and processing fees.
Subsection 3.1.3	Expanded the discussion of the LOMA 2000 software and related documentation and eliminated the citations of the final determination letters for Conditional Letters of Map Amendment (CLOMAs), Letters of Map Amendment (LOMAs), Conditional Letters of Map Revision Based on Fill (CLOMR-Fs), and Letters of Map Revision Based on Fill (LOMR-Fs) that have been replaced by LOMA 2000 products.
Subsection 3.3	<p>Revised this subsection to read as follows:</p> <p>“As part of its Map Modernization efforts, FEMA developed a portlet application to automate the production of additional data letters, additional fee letters, and determination documents for CLOMR-F, LOMR-F, CLOMA, and LOMA requests. This portlet application is referred to as the MIP Amendment Workflow. When appropriate, the NSP case reviewer uses the MIP Amendment Workflow to generate the appropriate letters and determination documents. Examples of the documents generated using the MIP Amendment Workflow are presented in Appendix C, on pages C-129 through C-168.”</p>
Table 3-1	Removed the citations for the final determination letters for CLOMAs, LOMAs, CLOMR-Fs, and LOMR-Fs that have been replaced by LOMA 2000 products.
Figures 3-2 and 3-3	Revised the flowcharts to include the requirements for direct-deposit refunds established in Procedure Memorandum No. 17.
