## Instructions for Recipient

**Box 1.**—Shows the total unemployment compensation paid to you this year. This amount is taxable income to you. For details, see the instructions for your Federal income tax return. If you expect to receive these benefits in the future, you can request the payer to withhold Federal income tax from each payment. Or, you can make estimated tax payments using **Form 1040-ES**, Estimated Tax For Individuals.

**Box 2.**—Shows refunds, credits, or offsets of state or local income tax you received. If there is an entry in this box, it may be taxable to you if you deducted the tax paid as an itemized deduction on your Federal income tax return. Even if you did not receive the amount shown, for example, because it was credited to your estimated tax, it is still taxable if it was deducted. Any interest received on this must be included as interest income on your return. See the instructions for your tax return.

**Box 3.**—Identifies the tax year for which the refund, credit, or offset shown in box 2 was made. If there is no entry in this box, the refund is for 1995 taxes.

**Box 4.**—Shows backup withholding. For example, persons not furnishing their taxpayer identification number to the payer become subject to backup withholding at a 31% rate on certain payments. See **Form W-9**, Request for Taxpayer Identification Number and Certification, for information on backup withholding. **Include this on your income tax return as tax withheld.**

**Box 6.**—Shows the amount of taxable grants you received from the Federal, state, or local government.

**Box 7.**—Shows the amount of Department of Agriculture payments that are taxable to you. If the payer shown is anyone other than the Department of Agriculture, it means the payer has received a payment, as a nominee, that is taxable to you. This may represent the entire agricultural subsidy payment received on your behalf by the nominee, or it may be your pro rata share of the original payment. See **Pub. 225**, Farmer's Tax Guide, and the instructions for **Schedule F (Form 1040)**, Profit or Loss From Farming, for information about where to report this income.

**Box 8.**—If this box is checked, the refund, credit, or offset in box 2 is attributable to an income tax that applies exclusively to income from a trade or business and is not a tax of general application. The amount, if taxable, should not be reported on page 1 of Form 1040, but should be reported on Schedule C, C-EZ, or F (Form 1040), as appropriate.
