A. Summary

Section 302(j)(9) of the Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act) requires the Secretary of Commerce to submit an annual report to Congress beginning January 1, 2008, on action taken by the Secretary of Commerce (Secretary) and the Regional Fishery Management Councils (Councils) to implement the disclosure of financial interest and recusal requirements of the Magnuson-Stevens Act, including identification of any conflict of interest problems with respect to the Councils and Scientific and Statistical Committees (SSC) and recommendations for addressing any such problems. This is the second in the series of such reports. It assesses the efforts and action taken by the Secretary and the Councils in 2008 to meet the requirements of the reauthorized Magnuson-Stevens Act.

This report discusses the disclosure of financial interests by an individual who is nominated by the Governor of a State for appointment as a voting member of a Council in accordance with Section 302(b)(2), a voting member of a Council appointed in accordance with Section 302(b)(2) or 302(b)(5), and members of an SSC appointed under Section 302(g)(1)(A) of the Magnuson-Stevens Act as it pertains to reporting, filing, and recusal requirements. Further it discusses what action is being taken by the Secretary and the Councils to identify and address conflict of interest problems among the Councils and SSCs.

B. Background

Section 302(a) of the Magnuson-Stevens Act established eight Regional Fishery Management Councils: New England (NEFMC), Mid-Atlantic (MAFMC), South Atlantic (SAFMC), Gulf (GMFMC), Caribbean (CFMC), Pacific (PFMC), North Pacific (NPFMC) and Western Pacific (WPFMC). Councils prepare and submit fishery management plans (FMPs) to the Secretary for fisheries under Council authority that require conservation and management, and any amendments necessary to manage the fisheries consistent with the Magnuson-Stevens Act.

In accordance with Section 302(b)(1) of the Magnuson-Stevens Act, voting members of each Council shall be: the principal state official with fishery management responsibility and expertise in each constituent state, who is designated by a governor; NOAA's National Marine Fisheries Service (NMFS) Regional Administrator for the geographic area concerned; public individuals appointed by the Secretary in accordance with Section 302(b)(2) from among nominees submitted by governors of the constituent states; and an individual appointed to the PFMC, from among nominees submitted from a list of tribal governments in accordance with Section 302(b)(5).

Section 302(g)(1) of the Magnuson-Stevens Act requires each Council to establish and appoint members to an SSC to provide the Councils ongoing scientific advice to assist the Councils in the development and preparation of FMPs and amendments. Members of the SSCs are federal and state employees, academicians, or independent experts with scientific or technical qualifications and experience who assist the Councils in the evaluation of biological and other scientific information on issues that come before the Council.

Section 302(j) of the Magnuson-Stevens Act requires that an individual nominated by the governor of a state for appointment as a voting member of a Council, appointed by the Secretary as a voting Council member, or appointed by a Council to an SSC must meet certain financial disclosure requirements.

C. Disclosure of Financial Interests and Recusal Requirements

In accordance with Section 302(j)(1) of the Magnuson-Stevens Act, the term “affected individual” means an individual who is nominated by the governor of a state for appointment as a voting member of a Council in accordance with subsection (b)(2); or who is a voting member of a Council appointed under subsection (b)(2); or under subsection (b)(5) who is not subject to disclosure and recusal requirements under the laws of an Indian tribal government. The reauthorization of the Magnuson-Stevens Act, at Section 302(g)(1)(D) also requires that each member of an SSC be treated as an “affected individual,” but only for the purposes of paragraphs (2), (3)(B), (4), and (5)(A) of subsection (302)(j).

Disclosing Financial Interests: Reporting and Filing Requirements

Section 302(j)(2) of the Magnuson-Stevens Act requires “affected individuals” to disclose any financial interest held by the individual, the spouse, minor child, or partner of that individual; and any organization (other than the Council) in which that individual is serving as an officer, director, trustee, partner, or employee in any harvesting, processing, lobbying, advocacy, or marketing activity that is being, or will be, undertaken within any fishery over which a Council has jurisdiction, or with respect to an individual or organization with a financial interest in such activity. Disclosure of financial interests will also include stocks, ownership interest, or employment with any entity that engages in or that provides services to someone engaged in any harvesting, processing, lobbying, advocacy, or marketing activity.

Affected individuals must disclose any financial interests on NOAA Form 88-195, Statement of Financial Interests (see Appendix 1). Guidance on reporting and filing procedures for complying with financial disclosure requirements are found at 50 CFR 600.235.

An individual who is nominated by the governor of a state for appointment as a voting member of a Council and before appointment by the Secretary must file a Statement of Financial Interests with the Assistant Administrator for Fisheries by April 15, or, if nominated after March 15, 1 month after nomination by the governor.

An individual who is a voting member of a Council, appointed by the Secretary in accordance with Section 302(b)(2) or (b)(5) who is not subject to disclosure and recusal requirements under the laws of an Indian tribal government, must file a Statement of Financial Interests within 45 days of taking office with the executive director of the Council, must file an update with the executive director of the Council within 30 days of the time any such financial interest is acquired or substantially changed, and by February 1 of each year.

The executive director of the Council will provide copies of all Statements of Financial Interests to the NMFS Regional Administrator, the Regional Attorney who advises the Council, and NMFS' Office of Sustainable Fisheries. Statements of Financial Interests will be kept on file by each Council, made available on the Council internet site, be available for public inspection at the Council offices during reasonable hours, and be kept on file by NMFS on behalf of the Secretary for use in reviewing determinations under Section 302(j)(7).

An individual who is appointed to an SSC in accordance with Section 302(g)(1) of the Magnuson-Stevens Act must file a Statement of Financial Interests with the Assistant Administrator for Fisheries, on behalf of the Secretary, which will be kept on file by NMFS. SSC members are not required to submit a Statement of Financial Interests to or through the Council, but may submit directly to the Assistant Administrator for Fisheries.

Voting Requirements and Financial Conflicts of Interest

An affected individual required to disclose a financial interest under 302(j)(2) of the Magnuson-Stevens Act shall not vote on a Council decision that would have a "significant and predictable effect" on a financial interest disclosed on his or her Statement of Financial Interests. This applies to any matter in which there is a close causal link between the decision and an "expected and substantially disproportionate benefit" to the member's financial interest. An expected and substantially disproportionate benefit exists when an affected individual, or those whose interests are attributed to the affected individual:

(a) has a greater than 10 percent interest in the total harvest or the sector of the fishery under consideration by the Council;

(b) has a greater than 10 percent interest in the marketing or processing of the total harvest or the sector of the fishery under consideration by the Council; or

(c) has full or partial ownership of more than 10 percent of the vessels using the same gear type within the fishery, or the sector of the fishery, under consideration by the Council.

Although an affected individual may not vote, he or she may participate in Council deliberations relating to the decision after notifying the Council of the voting recusal and identifying the financial interest that would be affected.

At the request of an affected individual, or at the initiative of an appropriate designated official,¹ the designated official shall make a determination for the record as to whether a Council decision would have a "significant and predictable effect" on a financial interest. Within 10 days, any Council member may submit a written request to the Secretary to review any determination made. The review of the determination must be completed within 30 days. Any affected

¹ Designated official is a person with expertise in federal conflict-of-interest requirements who is designated by the Secretary, in consultation with the Council, to attend Council meetings and make determinations under paragraph 302(7)(B) of the Act. In practice, this has been the NOAA Regional Attorney who advises the Council.

individual who does not vote on a Council decision in accordance with Section 302(j)(7) may state for the record how he or she would have voted.

It is expected that SSC members maintain a high standard of conduct. Questions regarding conflict of interest requirements for SSC members should be addressed to the NOAA Regional Attorney who advises the Councils.

D. Magnuson-Stevens Act Amendments

The Magnuson-Stevens Act was amended on January 12, 2007. Below is a summary of the amendments pertaining to the Disclosure of Financial Interest and Recusal Requirements.

(a) Section 302(j) of the Magnuson-Stevens Act has modified the definition of "financial interests" to include not only harvesting, processing, and marketing activity, but also lobbying and advocacy.

(b) Section 302(j) of the Magnuson-Stevens Act has been modified to expand the definition of "affected individual" such that members of the SSCs appointed under Section 302(g)(1) be required to disclose financial interests in any harvesting, processing, lobbying, advocacy, or marketing activity, and such information be kept on file by the Secretary.

(c) Section 302(j) of the Magnuson-Stevens Act has been modified such that the "Statements of Financial Interests" completed by voting members of the Councils that are appointed by the Secretary be made available on Council internet sites.

E. Action Taken by the Secretary and the Councils on the Disclosure of Financial Interest and Recusal Requirements

To gather information needed to meet the requirements of Section 302(j)(9) to provide this report, the Assistant Administrator for Fisheries requested that each NMFS Regional Administrator and Council provide the following information on efforts in 2008 to meet the requirements of the reauthorized Magnuson-Stevens Act:

(a) Action taken by each Council on implementing the requirements of the Magnuson-Stevens Act, including amendments to Section 302(g) Committees and Advisory Panels and Section 302(j) Disclosure of Financial Interest and Recusal. Following is a summary of each Council's actions.

The NEFMC discussed the new requirements of the reauthorized Magnuson-Stevens Act during several meetings held in 2008, which included both SSC and Council members. The Council approved new SSC operating procedures, which includes the requirements for submission of Statements of Financial Interests. In March 2008, the Council provided Statements of Financial Interests for SSC members to the Assistant Administrator for Fisheries to be kept on file by NMFS. Statements of Financial Interests for voting council members appointed by the Secretary have been posted on the NEFMC's internet site.

The MAFMC has modified its Statement of Organization, Practices and Procedures (SOPPs) to incorporate reauthorized Magnuson-Stevens language that addresses the role and use of the SSC. The Council continues to provide completed Statements of Financial Interests for SSC members to the Assistant Administrator for Fisheries to be kept on file by NMFS. In July 2008, the MAFMC posted Statements of Financial Interests for voting council members appointed by the Secretary on its internet site.

The CFMC has modified its SOPPs accordingly, and discussed the new requirements of the reauthorized Magnuson-Stevens Act with both SSC and Council members. The completed Statements of Financial Interests for SSC members were provided to the Assistant Administrator for Fisheries to be kept on file by NMFS. Statements of Financial Interests for voting council members appointed by the Secretary have been posted on the CFMC's internet site.

The SAFMC currently has an SSC consisting of 16 members from various scientific disciplines. The SAFMC continues to provide completed Statements of Financial Interests for SSC members to the Assistant Administrator for Fisheries to be kept on file by NMFS. Statements of Financial Interests for voting council members appointed by the Secretary have been posted on the SAFMC's internet site.

The GMFMC has modified its SOPPs to include the new SSC requirements for submission of Statements of Financial Interests. In 2008, the Council provided the remaining completed Statements of Financial Interests for SSC members to the Assistant Administrator for Fisheries to be kept on file by NMFS. Statements of Financial Interests for voting council members appointed by the Secretary have been posted on the GMFMC's internet site.

In 2008, the PFMC's SSC members completed their Statements of Financial Interests and provided them to the Assistant Administrator for Fisheries to be kept on file by NMFS. Statements of Financial Interests for voting council members appointed by the Secretary have been posted on the PFMC's internet site.

The NPFMC continues to receive and make available to the public completed Statements of Financial Interests forms for Council members appointed by the Secretary. In 2008, the Council provided the remaining completed Statements of Financial Interests for SSC members to the Assistant Administrator for Fisheries to be kept on file by NMFS. Although not a requirement, the NPFMC has also posted SSC resumes on its internet site. Statements of Financial Interests for voting council members appointed by the Secretary have been posted on the NPFMC's internet site.

The WPFMC continues to work with its SSC members on the changes in the reauthorized Magnuson-Stevens Act relating to their role and responsibilities. In 2008, the Council provided the remaining completed Statements of Financial Interests for SSC members to the Assistant Administrator for Fisheries to be kept on file by NMFS. The WPFMC posted Statements of Financial Interests for voting council members appointed by the Secretary on its internet site.

(b) Documentation of any time a voting Council member recuses themselves from a vote, the reason given, and any other relevant circumstances, per 50 CFR 600.235(d).

MAFMC Meeting – Council member Laurie Nolan recused herself from voting on any issues related to Amendment 1 to the Tilefish Plan at the Council’s April 2008 meeting.

PFMC Meetings – Prior to Council action to adopt 2008 Stock Assessments, Allowable Biological Catch (ABC), Optimum Yield (OY), and Management Measures for groundfish fisheries at the Council’s March 2008 meeting, Council member David Sones participated in the discussions, but recused himself from the tribal allocation vote because of his interest in the tribal whiting fishery. Council member Sones also recused himself from a vote during action to adopt a treaty allocation of 35,000 mt for 2008 Pacific whiting specifications because of his interest in the fishery.

At the Council’s June 2008 meeting, Council member Kathy Fosmark recused herself from voting during Preliminary Review of Exempted Fishing Permits (EFP) for 2009, because one of the permits being considered to move forward for public review was sponsored by her spouse. During Council action to tentatively adopt and prior to adoption of final 2009-10 Groundfish Harvest Specifications, Management Measures, and Rebuilding Plan Revisions, Council member David Sones recused himself from the discussions and voting because he has a fishing interest in the Makah tribal whiting fishery. Prior to the adoption of final 2009-10 ABC, OY, Management Measures, Council member Dale Myer commented on the motions, but recused himself from voting on this issue because he is employed by an at-sea whiting company.

During Final Adoption of EFPs for 2009 at the Council’s September 2008 meeting, Council member Kathy Fosmark recused herself from voting on the chilipepper EFP sponsored by her spouse for conflict of interest reasons.

During the agenda item overview for groundfish FMP Amendment 20 - Trawl Rationalization at the Council’s November 2008 meeting, Council member Dale Myer recused himself from discussions and voting on motions 19, 20 and 26 related to the mothership sector upon the advice of the NOAA Regional Attorney who advises the Council.

NPFMC Meeting – At the October 2008 meeting, Council member Gerry Merrigan recused himself from voting on catch limits for crab fishing vessels in the Pacific cod fishery upon the advice of the NOAA Regional Attorney who advises the Council. Council member Merrigan’s reason for recusal was his employment with Prowler Fisheries, LLC, which participates directly in the fishery.

WPFMC Council Meetings – Council member Sean Martin recused himself from Council action on the Hawaii Swordfish Fishery Effort limitation and Council member Manuel Duenas recused himself from voting on the Commonwealth of the Northern Mariana Islands’ Longline exclusion zone. Upon the advice of the NOAA Regional Attorney who advises the Council, Council member Steven Haleck recused himself from voting on American Samoa Longline Fishery limited entry permit modifications.

The NEFMC, CFMC, SAFMC, and GMFMC indicate no recusals.

(c) Documentation of any Council member requests for determination for the need for a recusal by that Council member, and the results of that determination, per 50 CFR 600.235(f)(1).

The Councils indicate no occurrences.

(d) Documentation of any requests for determination on recusals of a Council member based on information provided to a designated official and the results of that determination, per 50 CFR 600.235(f)(3).

The Councils indicate no occurrences.

(e) Documentation of any requests for review of a determination and the results of that review per 50 CFR 600.235(g).

The Councils indicate no occurrences.

(f) Any circumstances where a Council member's Statement of Financial Interests, NOAA Form 88-195, was found to be in error, the circumstances relevant to the error, and its resolution.

The Councils indicate no occurrences.

(g) Any instances of Council member resignations or removal due to concerns about disclosure of financial interests or recusal and circumstances relevant to each occurrence.

The Councils indicate no occurrences.

(h) Any similar instances to the above regarding SSC members.

The Councils indicate no occurrences.

Action taken by the Secretary and the Councils

(a) On behalf of the Secretary, NMFS modified the general provisions and instructions of the NOAA Form 88-195, Statement of Financial Interests, to: include disclosure of financial interests if you are a member of an SSC appointed under Section 302(g)(1); expand financial interests to include lobbying and advocacy activity; include the requirement that Statements completed by voting members of the Councils be posted on Council internet sites; and a revision to the Statement to allow for a respondent to enter the date any financial interest is acquired or begun in any harvesting, processing, lobbying, advocacy, or marketing activity. The PFMC executive director provided NMFS with comments on the Statement of Financial Interests which will be considered as part of any further revisions to the form.

(b) The Secretary made the revised NOAA Form 88-195, Statement of Financial Interests, available to the Councils for use by the SSCs and voting members of the Councils appointed by

the Secretary in an electronically fillable format. Although the form is available in an electronically fillable format, SSCs and voting members of the Councils appointed by the Secretary are still required to sign and date the form.

(c) The Councils continue to make Statements of Financial Interests for voting council members appointed by the Secretary available for public viewing at Council offices and at Council meetings at reasonable hours, and available on Council internet sites.

(d) The Assistant Administrator for Fisheries, on behalf of the Secretary, continues to ensure Statements of Financial Interests are completed by SSC members and kept on file, ensure all Statements of Financial Interests completed by voting council members appointed by the Secretary are posted on Council internet sites, and copies forwarded to appropriate NMFS offices and the Office of General Counsel, Department of Commerce.

(e) Regulatory changes are needed to implement recent amendments to the Magnuson-Stevens Act related to the Disclosure of Financial Interest and Recusal Requirements for Councils and SSCs. NMFS is in the process of drafting and publishing proposed regulations addressing these amendments. The Assistant Administrator for Fisheries, on behalf of the Secretary, will seek comments from the public on the proposed regulations affecting those amendments.
