

## 2009 Joseph A. Holmes Conference Indianapolis, IN June 2 - 4, 2009

The 2009 meeting will be held in Indianapolis, Indiana, at the Hilton during the week of June 2-4, 2009. This meeting will provide a variety of Safety and Health workshops presented by experts from around The U.S. and representing all sectors of mining. I have been asked by Larry Harshbarger (event coordinator) to head up vendors for this event.

- **There will be tables available. Space is limited so it will be first come first served to the first vendors that send their checks.**
- **Each vendor will get an 8' table, two chairs and electrical hookup.**
- **There will be a \$350.00 fee for each vendor that covers them for the three days.**
