To be qualified as an American-owned bidder, the contractor must demonstrate evidence of (A) performance of similar construction work in the United States or at a United States diplomatic or consular establishment abroad, and (B) either (i) ownership in excess of fifty percent by U.S. citizens or permanent residents or (ii) incorporated in the U.S. for more than three years and employment of U.S. citizens or permanent residents in more than half of the company's permanent fulltime professional and managerial positions in the U.S. For purposes of determining competitive status, offers submitted by American-owned firms shall be reduced by 10 per centum, provided that two prospective responsible bidders submit an offer.
