

H.I.P. Pocket Change hopes that your 2001-2002 school year has started without a hitch! To help you continue to make the school year great, HPC has added some terrific new features. Be sure to explore the HPC resources that will continue to make the trip [Back To School](#) much more fun!

New to the H.I.P. Pocket Change Web site...

[September's Coin of the Month](#) - September's featured coin was the Constitution Bicentennial Commemorative Silver Dollar (1987).

[Fun Facts](#) - Three new Fun Facts are available each month!

There is a great deal of new content available in this section specifically for teachers. In particular, several new lesson plans have been added, including our very first activity that links Science and coins! We're always on the look out for more great lessons though, so if you haven't already signed up, please be sure to submit your lessons to the HPC ["Coins In The Classroom" Lesson Plan Contest](#). "Coins in the Classroom" will run until the 30th of October.

### Teacher Features

Feature Name	Coin News Connection	Covered Curricular Area
1. <a href="#">Minting A New Mint</a>	September's Coin of the Month	History
