

# HOSTING APPLICATION INSTRUCTIONS

## Fulbright Teacher Exchange Program

Note: This application may be copied. Please use additional pages, if necessary to elaborate on any part of the application.

The hosting application is to be submitted by U.S. individuals and/or schools/districts that are interested in hosting a Fulbright teacher or administrator during a specific inbound short-term program or to host an international Fulbright teacher for a one-way year/semester length exchange.

If you are applying to host an international teacher or administrator for a specific inbound short-term program, please read the description of that program on the OTHER OPPORTUNITIES page of our website carefully before completing the application (<http://www.fulbrightexchanges.org/View/ViewOtherOpps.asp>). Be sure that you meet eligibility requirements for the program.

The application forms may be photocopied for interested colleagues, and applications may be submitted on photocopied forms. However, applications must bear original signatures.

Hosting applicants should complete the entire application to the fullest extent. Depending on the hosting program for which you are applying, there may be some questions that may not directly reflect your situation. Please adapt those questions to fit your own experience. Please use additional sheets, as necessary, to elaborate on any section of the application.
