

# **Pension Benefit Guaranty Corporation's FY 2008 FOIA Report to the U.S. Department of Justice**

Pursuant to the Freedom of Information Act (FOIA), as amended by the “Electronic Freedom of Information Act Amendments of 1996,” and “2008 Guidelines for Agency Preparation of Annual FOIA Reports” created by the Office of Information and Privacy, Department of Justice, the following information reflects the Pension Benefit Guaranty Corporation’s (PBGC) activity in administering the FOIA during fiscal year 2008.

## **I. BASIC INFORMATION REGARDING REPORT**

1. Name, title, address, and telephone number of person(s) to be contacted with questions about the report:

E. William FitzGerald, Disclosure Officer  
Pension Benefit Guaranty Corporation  
1200 K Street, N.W.  
Washington, D.C. 20005-4026  
(202) 326-4040

2. Electronic address for report on the World Wide Web:

**<http://www.pbgc.gov/docs/foia2008.pdf>**

3. How to obtain a copy of the report in paper form:

A paper copy of the report can be obtained by calling the Office of the General Counsel, Disclosure Division, PBGC at (202) 326-4040 or by printing a copy at the Web address listed in I.2 above.

## **II. MAKING A FOIA REQUEST**

1. Names, addresses, and telephone numbers of all individual agency components and offices that receive FOIA requests:

PBGC, Office of the General Counsel  
Attention E. William FitzGerald, Disclosure Officer  
Suite 11107  
1200 K Street N.W.  
Washington, D.C. 20005-4026  
Phone (202) 326-4040

A FOIA request should include a description of the requested records, an assurance that the requester is willing to pay the fees, if any, associated with processing the request, and the complete address of the requester. In addition, it is helpful to provide a phone number where the requester can be reached during business hours so that any questions regarding the scope of the request can be resolved quickly. If the requester is unsure of how to describe the records they desire or has specific questions relating to processing of a request, they should call the FOIA staff for advice at (202) 326-4040 prior to filing their request.

2. Brief description of why some requests are not granted and an overview of certain general categories of the agency's records to which the FOIA exemptions applies

Some requests are not granted because one or more of the exemptions from FOIA's disclosure requirement applied to the records requested. In the vast majority of cases, denial of access to records involved requests by third parties for information about individuals. Generally, information about an individual will not be disclosed by PBGC if it could result in an invasion of privacy. Other denials were in response to subpoenas served on PBGC seeking information about benefits due individual participants from pension plans trusted by the PBGC.

In addition, a number of denials involved requests for confidential commercial or financial information that had been submitted to PBGC. In some instances, PBGC did not possess any of the records that were requested.

Records subject to disclosure and application of FOIA exemptions includes, in part, records submitted to PBGC and created by PBGC in connection with processing distress plan terminations, or standard termination filing. Comments on proposed regulations and documents outlining PBGC policies and procedures as well as documents underlying PBGC policies and procedures.

### **III. ACRONYMS, DEFINITIONS, AND EXEMPTIONS**

1. Agency-specific acronyms or other terms:

None

2. Definitions of terms used in this report:

- a. **Administrative Appeal** — A request to a federal agency asking that it review at a higher administrative level FOIA determination made by the agency at the initial request level.
- b. **Average Number** — The number obtained by dividing the sum of a group of numbers by the quantity of numbers in the group. For example, of 3, 7, and 14, the average number is 8.
- c. **Backlog** — The number of requests or administrative appeals that are pending at an agency at the end of the fiscal year that are beyond the statutory time period for a response.
- d. **Component** — For agencies that process requests on a decentralized basis, a “component” is an entity, also sometimes referred to as an Office, Division, Bureau, Center, or Directorate, within the agency that processes FOIA requests. The FOIA now requires that agencies include in their Annual FOIA Report data for both the agency overall and for each principal component of the agency.

NOTE: PBGC does not process requests on a decentralized basis and therefore does not have multiple components.

- e. **Consultation** — The procedure whereby the agency responding to a FOIA request first forwards a record to another agency for its review because that agency has an interest in the document. Once the agency in receipt of the consultation finishes its review of the record, it responds back to the agency that forwarded it. That agency, in turn, will then respond to the FOIA requester.
- f. **Exemption 3 Statute** — A federal statute that exempts information from disclosure and which the agency relies on to withhold information under subsection (b)(3) of the FOIA.
- g. **FOIA/PA Request** — A FOIA request is generally a request for access to records concerning another person (i.e., a “third-party” request), or concerning an organization, or a particular topic of interest. FOIA requests also include requests made by requesters seeking records concerning themselves (i.e., “first-party” requests) when those requesters are not subject to the Privacy Act, such as non-U.S. citizens. Moreover, because all first-party requesters should be afforded the benefit of both the access provisions of the FOIA as well as those of the Privacy Act, FOIA requests also include any first-party requests where an agency determines that it must search beyond its Privacy Act “systems of records” or where

a Privacy Act exemption applies, and the agency looks to FOIA to afford the greatest possible access. All requests which require the agency to utilize the FOIA in responding to the requester are included in this report.

Additionally, a FOIA request includes records referred to the agency for processing and direct response to the requester. It does not, however, include records for which the agency has received a consultation from another agency. (Consultations are reported separately in Section XII of this report.)

NOTE: PBGC treats all requests for access to records, regardless of which law is cited by the requester, as FOIA and PA requests.

- h. **Full Grant** — An agency decision to disclose all records in full in response to a FOIA request.
- i. **Full Denial** — An agency decision not to release any records in response to a FOIA request because the records are exempt in their entirety under one or more of the FOIA exemptions, or for some procedural reason, such as when no records could be located.
- j. **Median Number** — The middle, not average, number. For example, of 3, 7, and 14, the median number is 7.
- k. **Multi-track Processing** — A system in which simple requests requiring relatively minimal review are placed in one processing track and more voluminous and complex requests are placed in one or more other tracks. Requests granted expedited processing are placed in yet another track. Requests in each track are processed on a first-in/first out basis.
  - i. **Expedited Processing** — An agency will process a FOIA request on an expedited basis when a requester satisfies the requirements for expedited processing as set forth in the statute and in agency regulations.
  - ii. **Simple Request** — A FOIA request that an agency using multi-track processing places in its fastest (non-expedited) track based on the low volume and/or simplicity of the records requested.
  - iii. **Complex Request** — A FOIA request that an agency using multi-track processing places in a slower track based on the high volume and/or complexity of the records requested.

1. **Partial Grant/Partial Denial** — In response to a FOIA request, an agency decision to disclose portions or the records and to withhold other portions that are exempt under the FOIA, or to otherwise deny a portion of the request for a procedural reason.
  - m. **Pending Request or Pending Administrative Appeal** — A request or administrative appeal for which an agency has **not** taken final action in all respects.
  - n. **Perfected Request** — A request for records which reasonably describes such records and is made in accordance with published rules stating the time, place, fees (if any), and procedures to be followed.
  - o. **Processed Request or Processed Administrative Appeal** — A request or administrative appeal for which an agency has taken final action in all respects.
  - p. **Range in Number of Days** — The lowest and highest number of days to process requests or administrative appeals.
  - q. **Time Limits** — The time period in the statute for an agency to respond to a FOIA request (ordinarily twenty working days from receipt of a perfected FOIA request).
3. Concise description of FOIA exemptions:

An agency may withhold information from disclosure if the information requested is the kind described in any of the nine exemptions listed in the FOIA.

- a. **Exemption 1:** Classified national defense and foreign relations information
- b. **Exemption 2:** Internal agency rules and practices

F. Discussion of Other FOIA Activities

In fiscal year 2008, the PBGC received a record number of FOIA requests (7,354). This represents an increase of 87.3% over requests received in fiscal year 2007.

PBGC's electronic processing system was modified during the year to allow the Disclosure Division to meet this tremendous growth in number of requests as well as meet the new reporting requirements and statutory deadlines.
