- *Global Express Guaranteed® (GXG®)*
- *Express Mail International®*

**SUPPLEMENTARY INFORMATION:** On November 12, 2008, the Governors of the Postal Service established new prices and product features for Shipping Services. This *Federal Register* final rule describes the international price and product changes and the mailing standards needed to implement them.

The number of country price groups for Express Mail International and Priority Mail International is expanded from 9 price groups to 10 price groups. The new country price group 10 is established for items sent to Australia and New Zealand.

Priority Mail International service is expanded by adding a new small flat-rate box. The small flat-rate box follows the mailing standards for the Priority Mail International flat-rate envelope, not the Priority Mail International regular or large flat-rate box.

Commercial base pricing for Global Express Guaranteed (GXG), Express Mail International, and Priority Mail International is expanded to include qualifying end-user customers that pay postage using Information-Based Indicia (IBI) postage meters and transmit customs forms electronically. IBI is a digitally-generated indicia that includes a two-dimensional barcode.

The price increase for retail Priority Mail International averages approximately 8.5 percent. The commercial base price for customers that prepare and pay for shipments online at usps.com or by using an authorized PC Postage vendor will remain 5 percent below the retail price.
