Re: Quantity and Value Questionnaire for Laminated Woven Sacks from the People's Republic of China

Dear Sir or Madam:

On July 18, 2007, the Department of Commerce ("the Department") initiated an antidumping duty investigation to determine whether laminated woven sacks from the People's Republic of China ("PRC") is being sold in the United States at less than fair value. The notice of initiation can be viewed our website: <http://ia.ita.doc.gov/ia-highlights-and-news.html>. The period of investigation ("POI") is October 1, 2006 through March 31, 2007.

In advance of the issuance of the antidumping questionnaire, we ask that you respond to the questions in Attachment I requesting information on the quantity and U.S. dollar sales value of all exports to the United States of laminated woven sacks during the POI. A definition of the merchandise covered by the scope of this investigation is included in Attachment II. General instructions for responding to this letter are contained in Attachment III. **Please be advised that receipt of this letter does not indicate that the recipient manufacturer or exporter will be chosen as a mandatory respondent or guaranteed separate rates status. A response to this letter may be subject to on-site verification by Department officials.**

The response to the Department's Quantity and Value ("Q&V") questionnaire in Attachment I is due no later than **August 8, 2007**.

Please note that all submissions to the Department must be served on all interested parties. The service instructions are included in Attachment III. The list of interested parties may be found at <http://www.ia.ita.doc.gov/apo/apo-svc-lists.html>.

The Department requires NME exporters of laminated woven sacks to submit a separate-rate application no later than September 17, 2007 in addition to submitting a response to this Q&V questionnaire to receive consideration for a separate rate. The separate-rate application is available on the Department's website at <http://ia.ita.doc.gov/ia-highlights-and-news.html>. In other words, the Department will not give consideration to any separate rate-status application made by parties that failed to respond to this questionnaire within the established deadline.

Additionally, we note that we requested comments from interested parties regarding the

appropriate physical characteristics of laminated woven sacks to be reported in response to the Department's questionnaire in the initiation federal register notice. The initiation federal register notice can also be found on the on the Department's website at <http://ia.ita.doc.gov/ia-highlights-and-news.html>. In order to consider the suggestions of interested parties in developing and issuing the questionnaire, we must receive comments by **August 8, 2007**. Additionally, rebuttal comments must be received by **August 17, 2007**.

We appreciate your attention to these matters. Please contact Catherine Bertrand at 202-482-3207 if you have any questions or comments.

Sincerely,

Erin Begnal

Where it is not practicable to examine all known producers/exporters of subject merchandise, section 777A(c)(2) of the Tariff Act of 1930 (as amended) permits us to investigate 1) a sample of exporters, producers, or types of products that is statistically valid based on the information available at the time of selection, or 2) exporters and producers accounting for the largest volume and value of the subject merchandise that can reasonably be examined.

In the chart below, please provide the total quantity and total value of all your sales of merchandise covered by the scope of this investigation (see attachment II of this document), produced in the PRC, and exported/shipped to the United States during the period October 1, 2006, through March 31, 2007.

SCOPE OF THE INVESTIGATION

The merchandise covered by this investigation is laminated woven sacks. Laminated woven sacks are bags or sacks consisting of one or more plies of fabric consisting of woven polypropylene strip and/or woven polyethylene strip; with or without an extrusion coating of polypropylene and/or polyethylene on one or both sides of the fabric; laminated by any method either to an exterior ply of plastic film such as biaxially-oriented polypropylene (“BOPP”) or to an exterior ply of paper that is suitable for high quality print graphics;¹ printed with three colors or more in register; with or without lining; whether or not closed on one end; whether or not in roll form; with or without handles; with or without special closing features; not exceeding one kilogram in weight. Laminated woven bags are typically used for retail packaging of consumer goods such as pet foods and bird seed.

Effective July 1, 2007, laminated woven sacks are classifiable under Harmonized Tariff Schedule of the United States (“HTSUS”) subheadings 6305.33.0050 and 6305.33.0080. Laminated woven sacks were previously classifiable under HTSUS subheading 6305.33.0020. If entered with plastic coating on both sides of the fabric consisting of woven polypropylene strip and/or woven polypropylene strip, laminated woven sacks may be classifiable under HTSUS subheadings 3923.21.0080, 3923.21.0095, and 3923.29.0000. If entered not closed on one end or in roll form, laminated woven sacks may be classifiable under HTSUS subheading 5903.90.2500 and 3921.19.0000. Although HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this investigation is dispositive.

¹ “Paper suitable for high quality print graphics,” as used herein, means paper having an ISO brightness of 82 or higher and a Sheffield Smoothness of 250 or less. Coated free sheet is an example of a paper suitable for high quality print graphics.

5. Submit the required certification of accuracy. Providers of information and the person(s) submitting it, if different (e.g., a legal representative), must certify that they have read the submission and that the information submitted is accurate and complete. The Department cannot accept responses to the letter that do not contain the certification statements. A form for such certification is included at Attachment III(A). You may photocopy this form and submit a completed copy with each of your submissions.
6. The submission must be served on all other persons on the service list and accompanied by a proper certificate of service for this case in accordance with section 351.303(f)(1)-(2) of the Department's regulations, which states:

(1)(i) *In General.* Except as provided in § 351.202(c) (filing of petition), § 351.207(f)(1) (submission of proposed suspension agreement), and paragraph (f)(3) of this section, a person filing a document with the Department simultaneously must serve a copy of the document on all other persons on the service list by personal service or first class mail.

A form for such certification is included in Attachment III(B).

Start at "Active APOs and Service Lists." Begin your search with the product. Search alphabetically for "laminated woven sacks." Once you click on "laminated woven sacks," you will see the People's Republic of China (A-570-916). You should then click on People's Republic of China (A-570-916). There will be several options. Select "Investigation" to find the most up-to-date service list.

7. Request **proprietary treatment** for information submitted that you do not wish to be made publicly available. As a general rule, the Department places all correspondence and submissions received in the course of an antidumping proceeding in a public reading file. However, information deemed to be **proprietary information** will not be made available to the public. If you wish to make a request for proprietary treatment for particular information, refer to sections 351.304 and 351.304(a)(2) of the Department's **regulations**. Submit the request for proprietary treatment no later than one business day following the submission of the proprietary version of your response to the letter accompanied by:
- (1) a non-proprietary (public) version of your response that is in sufficient detail to permit a reasonable understanding of the information submitted in confidence,³ and/or
 - (2) an itemization of particular information that you believe you are unable to summarize. State the reasons why you cannot summarize each piece of information.

Responses, or portions thereof, that are not adequately summarized may be returned to you and not used.

8. Submit the statements required regarding limited release of proprietary information under the provisions of an **administrative protective order** ("APO"). U.S. law permits limited disclosure to representatives of parties (e.g., legal counsel) of certain business proprietary information, including electronic business proprietary information, under an APO. (Note that data received under an APO cannot be shared with others who are not covered by the APO.) Under the provisions governing APO disclosure, you must submit either:
- (1) a statement agreeing to permit the release under APO of information submitted by you in confidence during the course of the proceeding, or
 - (2) a statement itemizing those portions of the information which you believe should not be released under APO, together with arguments supporting your objections to that release.

We are required by our regulations to reject, at the time of filing, submissions of business proprietary information that do not contain one of these statements. You must state in the upper right-hand corner of the cover letter accompanying your response whether you agree or object to release of the submitted information under APO. (See section 351.303)⁴

³ Generally, numerical data are adequately summarized if grouped or presented in terms of indices or figures ranged within ten percent of the actual figure. If a particular portion of the data is voluminous, use ranged figures for at least one percent of the voluminous portion.

⁴ If you do not agree to release under APO all or part of the proprietary information, but we determine that the information should be released, you will have the opportunity to withdraw the information (see section 351.340(d) of our regulations). However, any information which you withdraw will be taken out of the official record and will not be used in our determination

9. Place brackets ("[...]") around information for which you request business proprietary treatment. Place double brackets ("[[...]]") around information for which you request proprietary treatment and which you do not agree to release under APO.
10. Provide to all parties whose representatives have been granted an APO (as listed in the cover letter or as listed in a subsequent letter from the Department) a complete copy of the submission, proprietary and public versions, except for that information which you do not agree to release under APO. If you exclude information because you do not agree to release it under APO, submit with your response to the Department a certificate of service and a copy of the APO version of the document containing the information that you agree may be released under APO. For parties that do not have access to information under APO, please provide a public version only.
11. Prepare your response in typed form and in English. Repeat the question to which you are responding in your narrative submission and place your answer directly below it.
