MEMORANDUM FOR DAVID A. GRANT
DIRECTOR OF PROCUREMENT
INTERNAL REVENUE SERVICE

FROM: 
Daniel R. Devlin
Assistant Inspector General for Audit (Headquarters Operations
and Exempt Organizations Programs)

SUBJECT: TIRNO-95-D-00062 and TIRNO-00-D-00011, Audit of Incurred
Costs for Fiscal Year 2001 (Audit #20041C0201)

The Defense Contract Audit Agency (DCAA) examined the contractor's Information Technology Segment June 10, 2002, certified final indirect cost rate proposal and related books and records for reimbursement of Fiscal Year 2001 incurred costs. The purpose of the examination was to determine the allowability and allocability of direct and indirect costs and to establish audit-determined indirect cost rates for December 29, 2000, through December 27, 2001. The proposed rates apply primarily to flexibly priced contracts.

The DCAA opined that the contractor's indirect rates are acceptable as adjusted by its examination. Additionally, the claimed direct costs are provisionally approved pending final acceptance. The DCAA qualified its audit report because the results of the assist audits for the subcontract costs had not been received.

The information in this report should not be used for purposes other than those intended without prior consultation with the Treasury Inspector General for Tax Administration regarding their applicability.
