FROM THE ACTING DIRECTOR
U.S. CENSUS BUREAU

We are writing to request information needed for our Quarterly Survey of Tax Collections. The Bureau of Economic Analysis will use this information to develop estimates of the Gross Domestic Product—a key economic indicator.

The form on the reverse side shows the data we need from your agency. If actual amounts of sales and/or income tax collections during the past three months are not available, you may use reasonable estimates.

**Please transmit your report within 30 days via the Internet at <http://harvester.census.gov/sgf/f73/>.** You may also respond to this survey by mail or fax (toll-free 1 (866) 803-0407).

The U.S. Census Bureau receives its authorization to conduct this voluntary survey from Title 13, United States Code, Section 182. This form has been approved by the Office of Management and Budget (OMB) and given the number 0607-0112. Please note the number displayed in the upper right-hand corner of this form. Display of this number confirms that we have approval from OMB to conduct this survey. If this number were not displayed, we could not request your participation in this survey.

We estimate that it will take from 10 to 20 minutes to complete this form, with an average of 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Paperwork Project 0607-0112, U.S. Census Bureau, 4600 Silver Hill Road, AMSD-3K138, Washington, DC 20233. You may e-mail comments to <Paperwork@census.gov>; use "Paperwork Project 0607-0112" as the subject.

If you have any questions concerning this request, please call the Governments Division on our toll-free number, 1 (866) 820-7210.

Thank you for cooperating in this important survey. We are grateful for your help.

Sincerely,
