

# Energy Town Hall

---

## A Public Forum on Energy on the Pajarito Plateau

An Earth Day Week event cohosted by  
Los Alamos National Laboratory and the County of Los Alamos

***Tuesday, April 21, 8:30 am – 12:30 pm at Fuller Lodge***

---

Come learn about and discuss projects in energy conservation, generation, research, and management. Voice your opinion about the roles the Los Alamos community plays in energy research, energy and fuels conservation, and renewable energy. This is an informal discussion, and everyone will have a chance to ask questions and make suggestions about energy issues. Subject matter experts from LANL, Los Alamos County, and the State will be there to answer questions and hear your ideas. Regina Wheeler, environmental services manager from Los Alamos County will facilitate.

Isaac "Ike" Richardson, deputy director of Los Alamos National Laboratory will give the welcome address and talk about LANL's role in attaining energy goals.

***Please contribute to carbon footprint reduction by taking Atomic City Transit, walking, bicycling, or carpooling to this event!***

*Sponsored by LANL's Energy Management Council, the Energy Security Center, the Environmental Management System, and the County of Los Alamos.*

*Operated by Los Alamos National Security, LLC for the U.S. Department of Energy's NNSA*

# Energy Town Hall Agenda

Fuller Lodge, Tuesday, April 21, 8:30 am – 12:30 pm: A Public Forum on Energy on the Pajarito Plateau  
Cohosted by Los Alamos National Laboratory and the Incorporated County of Los Alamos  
Refreshments at 8:30 am

Facilitator: Regina Wheeler, Los Alamos County Environmental Services Manager

## *Policies, initiatives, and science and technology*

Chris Cantwell, LANL Associate Director, Environment, Health, and Safety	Safety share, welcome, and introduction	8:45 - 8:50 am
Ike Richardson, Deputy Director LANL	Welcome address	8:50 - 9:00 am
Steven Buelow, LANL Energy Security Center Director	LANL's Energy Research Initiatives	9:10 - 9:20 am
Michael Chertkov, LANL Energy Security Center, Project lead Smart Grid initiative	Optimization and Control for Smart Grids	9:20 - 9:30 am

## *A view from Los Alamos County*

Regina Wheeler, Manager, Los Alamos County Environmental Services	Enhancing Environmental Quality and Sustainability in Los Alamos	9:30 - 9:45 am
Matt Dickens, Los Alamos County Conservation Officer	Conservation Planning in Los Alamos County	9:45 - 10:00 am

## *Energy planning at LANL*

Andrew Erickson, LANL Utilities and Infrastructure, and Wayne Evelo, LASO	LANL's Energy Management Plan	10:00 - 10:15 am
Denny Hjeresen, LANL Environmental Management System	Setting energy objectives and targets using the Environmental Management System	10:15 - 10:25 am
<i>Break</i>		<i>10:25 - 10:40</i>

## *Daily contributions to energy and fuel conservation goals*

Monica Witt, LANL Materials Recycling Facility	Recycling...Part of the Solution to Climate Change	10:40 - 10:55 am
John Tapia, LANL Property Management/Fleet	Right-sizing LANL's vehicle fleet	10:55 - 11:10 am
Tony Ladino, LANL Environmental POC	LEED certification for the RLUOB	11:10 - 11:25 am

## *Working together toward energy independence on the Pajarito Plateau*

Bill Jones, LANL Infrastructure and Site Planning and John Arrowsmith, Los Alamos County Utilities Manager	The renewable energy feasibility study	11:25 - 11:40 am
Question and answer session		11:40 am - 12:30 pm

*Each ten-minute presentation will be followed by a five-minute question and answer session.*
