Monterey Bay & Channel Islands NMS Draft Management Plans & Advisory Council Review

Monterey Bay National Marine Sanctuary Advisory Council

August 5, 2005

NATIONAL MARINE SANCTUARIES

An Update of the Sanctuary's Guiding Documents

The review process examines and potentially changes:

- > Generally, how the Sanctuary operates and is administered
- > Specifically, what are the rules and regulations
- > Exactly, where are the boundaries

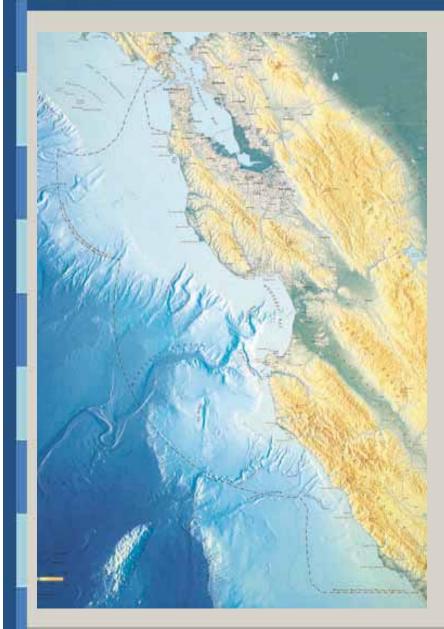

* Congressional Requirement to periodically review plan

anciuaries - America's Ocean Treasnr

Monterey Bay National Marine Sanctuary

- Seaward Boundary: ~25 miles offshore
- Shoreward Boundary: Mean High Tide
- Shoreline Length: 276 Statute Miles
- * Area: 5,322 square statute miles
- * Deepest Point: 10,663 ft

america.

- * FY05 Budget: \$3.2 Million
- Staffing: 35 Staff & Contractors

's Ocean Treasnre

Human Elements of MBNMS

- Five Coastal Counties
- * 12 Coastal Cities
- Four Urban Centers
- Six Congressional Districts
- App. 9 million w/in 25 miles
- Multiple Users
 - Fishing
 - Recreation
 - Research
 - ✤ Military

- MARIN COLWES CONTRA COSTA Monterey Bay National Marine Sanctuar Coastal Counties IN FRANCE COUNTY ALAMEDA COUNTY SANTATLARA COUNTY BAN BENITO CONTERES CHUNTY AN LUIS OBJECT COUNTY
- ✤ Watersheds 11 coastal watersheds, 7,500 sq. miles

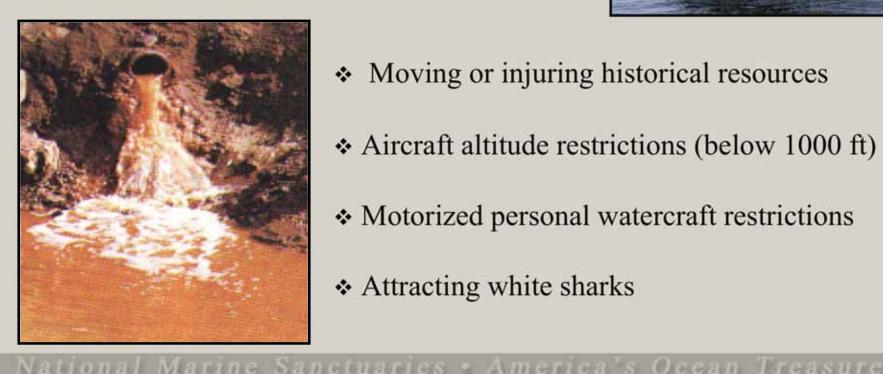

Marine Sanctuaries - America's Ocean Treasures

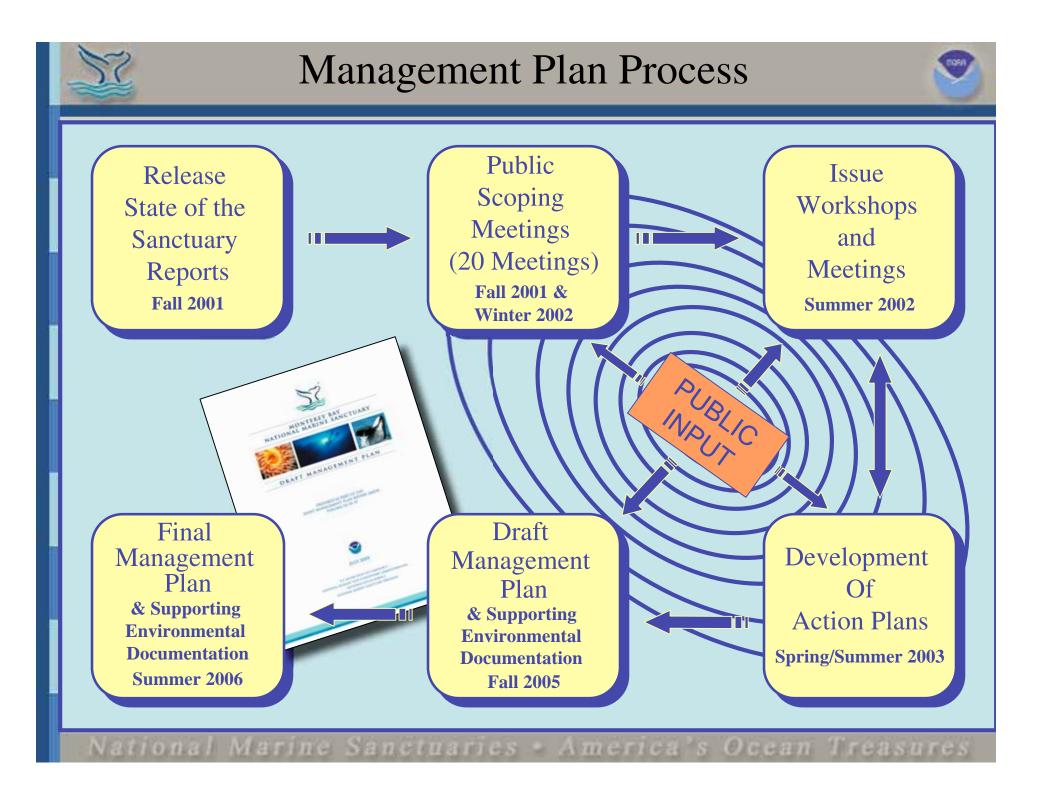

MBNMS's Regulated Activities

- Oil and gas exploration or production
- Discharging or depositing materials
- * Alteration of the seabed
- Disturbing marine mammals, turtles, and birds

- Moving or injuring historical resources
- Aircraft altitude restrictions (below 1000 ft)
- Motorized personal watercraft restrictions
- Attracting white sharks

Monterey Bay NMS Action Plans

Coastal Development Action Plans

- Coastal Armoring
- Desalination
- Harbors and Dredge Disposal
- Submerged Cables

Ecosystem Protection Action Plans

- Bottom Trawling Effects to Benthic Habitats
- ✤ Big Sur Coastal Ecosystem
- Davidson Seamount
- Emerging Issues
- ✤ Introduced Species
- ✤ Special Marine Protected Areas
- SIMoN

Partnerships and Opportunities Action Plans

- ✤ Fishing Related Research & Education
- Interpretive Facilities
- ✤ <u>Multicultural Outreach</u>

Water Quality Action Plans

- Beach Closures and Contamination
- ✤ Cruise Ship Discharges
- Water Quality Protection Program

Wildlife Disturbance Action Plan

- ✤ Marine Mammal, Seabird and Turtles
- Motorized Personal Watercraft
- Tidepool Protection

National Marine Sanctuaries . America's Ocean Treasures

MBNMS: Proposed Regulations

- Dredge Disposal Site Codification
- Davidson Seamount Comprehensive Protection
- Abandoned Vessels & Harmful Matter
- Introduced Species
- Cruise Ship Discharges
- Motorized Personal Watercraft Definition

Marine Sancinaries . Am.

JMPR Schedule

Public Review and Comment:

Document Release

- Four documents (3 plans & EIS)
- Scheduled for November 2005

Public Comment & Hearings

60 day review

5 - 8 Public Comment Hearings

SAC Review

- 2 Staff Briefings for SAC approx. 10 days after release
- Discuss at Meeting in December ?
- Possible Action in February ?

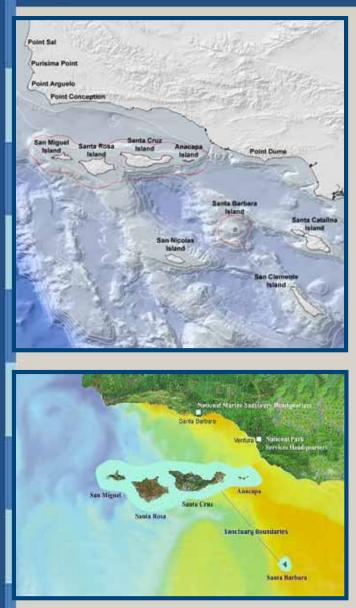

ational Marine Sancinar.

Ocean Treasar

Channel Islands National Marine Sanctuary

- Designated: September 22, 1980
- Encircles 5 Islands and 2 offshore rocks
- Seaward Boundary: ~ 7 miles offshore (6nm)
- Shoreward Boundary: Mean High Water
- Area: ~ 1660 square statute miles

arine Sanctuaries - America's Ocean Treasures

- Largest network of MPAs on west coast
- FY05 Budget:\$2.293 Million
- Staffing: 26 Staff
 & Contractors

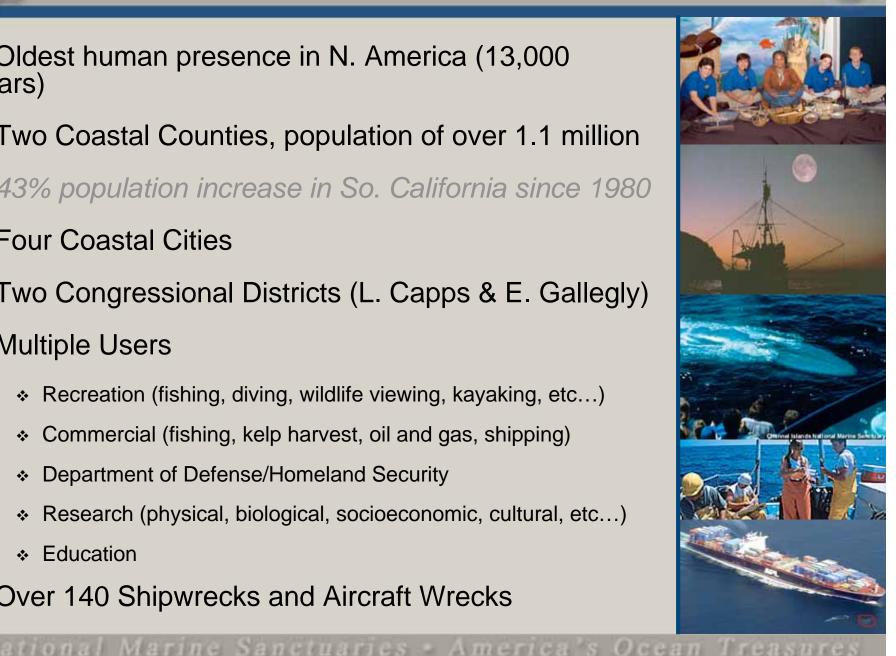

Human Elements of CINMS

- Oldest human presence in N. America (13,000) years)
- Two Coastal Counties, population of over 1.1 million
- ♦ 43% population increase in So. California since 1980
- Four Coastal Cities
- Two Congressional Districts (L. Capps & E. Gallegly)
- Multiple Users
 - Recreation (fishing, diving, wildlife viewing, kayaking, etc...)
 - Commercial (fishing, kelp harvest, oil and gas, shipping)
 - Department of Defense/Homeland Security
 - Research (physical, biological, socioeconomic, cultural, etc...)
 - Section
- Over 140 Shipwrecks and Aircraft Wrecks

CINMS's Regulated Activities

- Oil and gas exploration and production
- Discharging or depositing materials
- Alteration of the seabed
- Operation of vessels carrying cargo and servicing offshore installations within 1 NM of the Islands

 Disturbing seabirds or marine mammals by flying aircraft at less than 1000 feet within 1 NM of the Islands

 Removing or damaging historical or cultural resources

National Marine Sanctuaries • America's Ocean Treasures

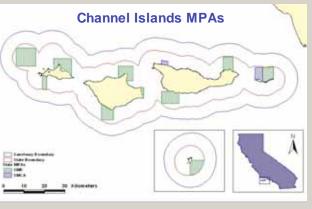

CINMS Action Plans

- Public Awareness and Understanding
- Conservation Science
- Boundary Evaluation
- Marine Zoning
- Water Quality
- Emergency Response and Enforcement
- Maritime Heritage Resources
- Emerging Issues (e.g., introduced species, LNG, aquaculture, noise)

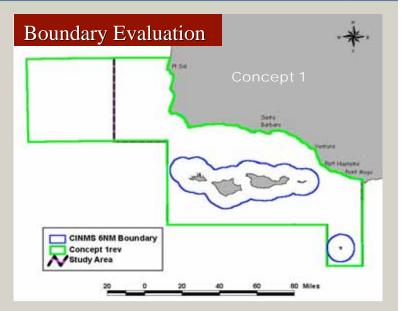

Operations

- Sanctuary Advisory Council, other partnerships
- facilities, vessels, aircraft, vehicles
- administration, human resources, permitting

Evaluation

- performance measures

onal Marine Sanctuaries • America's Ocean Treasures

Proposed CINMS Regulatory Changes

- Minerals mining exploration and production
- Discharging or depositing
 food wastes; non-fishing chumming; enter & injure
- Alteration of the seabed from 2 to 6 NM
- Abandoning structures, material or other matter

- Operation of vessels larger than 300 GRT within 1 NM of the Islands
- Take/possession of marine mammals, seabirds, sea turtles
- Tampering with signs
- Releasing or otherwise introducing an introduced species
- Operation of motorized personal water craft within waters of the Channel Islands National Park (parallel existing NPS ban)
- Clarification of & refinements to: discharge/deposit, permitting, cultural resource protection, Department of Defense activities

National Marine Sanctuaries . America's Ocean Treasures

CINMS Management Plan Schedule

Public Review and Comment:

Document Release

- Two-volumes: (I) Mgmt. plan & (II) DEIS
- Anticipated in September 2005

Public Comment & Hearings

- 60 day review
- Two Sanctuary Advisory Council Meetings
- Two public comment hearings

SAC Review

- One afternoon/evening meeting to initiate public review
- One meeting to close SAC comment

National Marine Sanctuaries . America's Ocean Treasures

- * How have Advisory Council Members been successful in outreach efforts to constituents?
- * What approaches have Advisory Councils taken to provide advice to the Sanctuary Program or NOAA?
- * How have Advisory Council members identified agenda items for meetings?
- * How have the Advisory Councils been working to address priority issues identified in the management plans?
- Should MBNMS and CINMS Advisory Councils collaborate in addressing issues of shared concern? If so, which issues and how?

National Marine Sanctuaries • America's Ocean Treasures

NATIONAL MARINE Sanctuaries TM

Pacific Fishery Management Council Consultation

April Response:

- Support NMSP goals and objectives for protection;
- Protect Davidson Seamount via regulations under Magnuson-Stevens, designate Essential Fish Habitat and revise Groundfish Management Plan

(unanimous vote)

June Meeting:

- Voted to designate Davidson Seamount as Essential Fish Habitat and Habitat Area of Particular Concern
- Recommended portion of Davidson Seamount as "no bottom contact gear " closure with a buffer; portion as "no bottom trawling"

(unanimous vote)

Pacific Fishery Management Council Consultation NEXT STEPS:

- 1. JMPR moves forward with regulation under National Marine Sanctuaries Act
- NOAA completes analysis of feasibility of regulation under Magnuson-Stevens Act (September or October)
- 3. NOAA decides appropriate regulatory pathway to protect Davidson Seamount (to be determined)
