### NOTES OF DECISIONS

Foreign mission 1

Other activities 3

Political entity 2

1. Foreign mission

Palestine Information Office located in Washington, D.C., that was “foreign mission” of Palestine Liberation Organization pursuant to Foreign Missions Act definition, was foreign political entity that therefore had no due process rights under United States Constitution or laws. *Palestine Information Office v. Shultz*, D.D.C.1987, 674 F.Supp. 910, affirmed 853 F.2d 932, 272 U.S.App.D.C. 1.

2. Political entity

Palestine Information Office of the Palestine Liberation Organization, located in Washington, D.C., was “entity” within meaning of Foreign Missions Act subsection defining foreign mission. *Palestine Information Office v. Shultz*, D.D.C.1987, 674 F.Supp. 910, affirmed 853 F.2d 932, 272 U.S.App.D.C. 1.

3. Other activities

Court’s finding that Palestine Information Office entity engaged in “other activities” on political entity Palestine Liberation Organization’s behalf was sufficient to support decision that Secretary of State’s determination to order closing of PIO, located in Washington, D.C., on ground PIO was “foreign mission” comported with both Foreign Missions Act and Administrative Procedure Act. *Palestine Information Office v. Shultz*, D.D.C.1987, 674 F.Supp. 910, affirmed 853 F.2d 932, 272 U.S.App.D.C. 1.

### **• § 4304. PROVISION OF BENEFITS**

- (a) Request by foreign mission; terms and conditions as approved by Secretary. Upon the request of a foreign mission, benefits may be provided to or for that foreign mission by or through the Secretary on such terms and conditions as the Secretary may approve.
- (b) Benefits through Secretary as mandatory; compliance with terms and conditions

If the Secretary determines that such action is reasonably necessary on the basis of reciprocity or otherwise—

- (1) to facilitate relations between the United States and a sending State,
- (2) to protect the interests of the United States,
- (3) to adjust for costs and procedures of obtaining benefits for missions of the United States abroad,
- (4) to assist in resolving a dispute affecting United States interests and involving a foreign mission or sending State, or
- (5) subject to subsection (f) of this section, to implement an exchange of property between the Government of the United States and the government of a foreign country, such property to be used by each government in the respective receiving state for, or in connection with, diplomatic or consular establishments, then the Secretary may require a foreign mission (A) to obtain benefits from or through the Secretary on such terms and conditions as the Secretary may approve, or (B) to forego the acceptance, use, or relation of any benefit or to comply with such terms and conditions as the Secretary may determine as a condition to the execution or performance in the United States of any contract or other agreement, the acquisition, retention, or use of any real property, or the application for or acceptance of any benefit (including any benefit from or authorized by any Federal, State, or municipal governmental authority, or any entity providing public services).

- (c) Surcharge or fee; waiver of recourse

Terms and conditions established by the Secretary under this section may include—

- (1) a requirement to pay to the Secretary a surcharge or fee, and
  - (2) a waiver by a foreign mission (or any assignee of or person deriving rights from a foreign mission) of any recourse against any governmental authority, any entity providing public services, any employee or agent of such an authority or entity, or any other person, in connection with any action determined by the Secretary to be undertaken in furtherance of this chapter.
- (d) Agent for waiver of recourse. For purposes of effectuating a waiver of recourse which is required under this section, the Secretary may designate any other officer of the Department of State as the agent of a foreign mission (or of any assignee of or person deriving rights from a foreign mission). Any such waiver by an officer so designated shall for all purposes (including any court or administrative proceeding) be deemed to be a waiver by the foreign mission (or the assignee of or other person deriving rights from a foreign mission).
- (e) Secret Service protection. Nothing in this chapter shall be deemed to preclude or limit in any way the authority of the United States Secret Service to provide protective services pursuant to section 202 of Title 3, or section 3056 of Title 18 at a level commensurate with protective requirements as determined by the United States Secret Service.
- (f) In-kind exchange of properties with foreign government; transfer of funds; reciprocal agreement; regulations
- (1) Upon a determination in each specific case by the Secretary of State or the Secretary's designee that the purpose of the Foreign Service Buildings Act, 1926 [22 U.S.C.A. § 292 *et seq.*], can best be met on the basis of an in-kind exchange of properties with a foreign country pursuant to subsection (b)(5) of this section, the Secretary of State may transfer funds made available under the heading "Acquisition and Maintenance of Buildings Abroad" (including funds held in the Foreign Service Buildings Fund) for such purpose to the Working Capital Fund, as provided in section 4308(h)(1) of this title. Except for funds that may be provided by a foreign government for the purchase of property, only funds transferred under the preceding sentence may be used for the purposes of subsection (b)(5) of this section.
  - (2) The Secretary of State may acquire property in the United States for the purposes of subsection (b)(5) of this section only in the context of a specific reciprocal agreement with a specified foreign government. Property acquired by the United States in the foreign country through such an exchange shall benefit the United States at least to the same extent as the property acquired in the United States benefits the foreign government.
  - (3) The Secretary of State shall prescribe regulations for the implementation of any in-kind exchange of properties pursuant to subsection (b)(5) of this section.
  - (4) At least 15 days before entering into any reciprocal agreement for the exchange of property with another foreign government, the Secretary of State shall notify the Committee on Foreign Affairs and the Committee on Public Works and Transportation of the House of Representatives and the Committee on Foreign Relations of the Senate.
  - (5) (A) Proceeds from the disposition of properties acquired pursuant to this subsection shall be credited to the Foreign Service Buildings Fund (referred to in section 9 of the Foreign Service Buildings Act, 1926 [22 U.S.C.A. § 300] ).  
  
(B) The authority to spend proceeds received under subparagraph (A) may be exercised only to such extent or in such amounts as are provided in advance in an appropriation Act.

• **§ 4304B. CRIMES COMMITTED BY DIPLOMATS**

(a) Annual report concerning diplomatic immunity

(1) Report to Congress

The Secretary of State shall prepare and submit to the Congress, annually, a report concerning diplomatic immunity entitled “Report on Cases Involving Diplomatic Immunity.”

(2) Content of report

In addition to such other information as the Secretary of State may consider appropriate, the report under paragraph (1) shall include the following:

(A) The number of persons residing in the United States who enjoy full immunity from the criminal jurisdiction of the United States under laws extending diplomatic privileges and immunities.

- (B) Each case involving an alien described in subparagraph (A) in which an appropriate authority of a State, a political subdivision of a State, or the United States reported to the Department of State that the authority had reasonable cause to believe the alien committed a serious criminal offense within the United States, and any additional information provided to the Secretary relating to other serious criminal offenses that any such authority had reasonable cause to believe the alien committed before the period covered by the report. The Secretary may omit from such report any matter the provision of which the Secretary reasonably believes would compromise a criminal investigation or prosecution or which would directly compromise law enforcement or intelligence sources or methods.
- (C) Each case described in subparagraph (B) in which the Secretary of State has certified that a person enjoys full immunity from the criminal jurisdiction of the United States under laws extending diplomatic privileges and immunities.
- (D) The number of United States citizens who are residing in a receiving state and who enjoy full immunity from the criminal jurisdiction of such state under laws extending diplomatic privileges and immunities.
- (E) Each case involving a United States citizen under subparagraph (D) in which the United States has been requested by the government of a receiving state to waive the immunity from criminal jurisdiction of the United States citizen.
- (F) Whether the Secretary has made the notifications referred to in subsection (c) during the period covered by the report.

(3) Serious criminal offense defined

For the purposes of this section, the term “serious criminal offense” means—

- (A) any felony under Federal, State, or local law;
- (B) any Federal, State, or local offense punishable by a term of imprisonment of more than 1 year;
- (C) any crime of violence as defined for purposes of section 16 of Title 18; or
- (D) (i) driving under the influence of alcohol or drugs;
- (ii) reckless driving; or
- (iii) driving while intoxicated.

(b) United States policy concerning reform of diplomatic immunity

It is the sense of the Congress that the Secretary of State should explore, in appropriate fora, whether states should enter into agreements and adopt legislation—

- (1) to provide jurisdiction in the sending state to prosecute crimes committed in the receiving state by persons entitled to immunity from criminal jurisdiction under laws extending diplomatic privileges and immunities; and
- (2) to provide that where there is probable cause to believe that an individual who is entitled to immunity from the criminal jurisdiction of the receiving state under laws extending diplomatic privileges and immunities committed a serious crime, the sending state will waive such immunity or the sending state will prosecute such individual.

(c) Notification of diplomatic corps

The Secretary should periodically notify each foreign mission of United States policies relating to criminal offenses committed by individuals with immunity from the criminal jurisdiction of the United States under laws extending diplomatic privileges and immunities.

• § 4305. PROPERTY OF FOREIGN MISSIONS

(a) Proposed acquisition, sale, or other disposition

- (1) The Secretary shall require any foreign mission, including any mission to an international organization (as defined in section 4309(b)(2) of this title), to notify the Secretary prior to any proposed acquisition, or any proposed sale or other disposition, of any real property by or on behalf of such mission. The foreign mission (or other party acting on behalf of the foreign mission) may initiate or execute any contract, proceeding, application, or other action required for the proposed action—
  - (A) only after the expiration of the 60-day period beginning on the date of such notification (or after the expiration of such shorter period as the Secretary may specify in a given case); and
  - (B) only if the mission is not notified by the Secretary within that period that the proposal has been disapproved; however, the Secretary may include in such a notification such terms and conditions as the Secretary may determine appropriate in order to remove the disapproval.
- (2) For purposes of this section, “acquisition” includes any acquisition or alteration of, or addition to, any real property or any change in the purpose for which real property is used by a foreign mission.

(b) Divestiture

The Secretary may require any foreign mission to divest itself of, or forgo the use of, any real property determined by the Secretary—

- (1) not to have been acquired in accordance with this section;
- (2) to exceed limitations placed on real property available to a United States mission in the sending State; or
- (3) where otherwise necessary to protect the interests of the United States.

(c) Cessation of diplomatic, consular, and other governmental activities in United States; protecting power or other agent; disposition of property

If a foreign mission has ceased conducting diplomatic, consular, and other governmental activities in the United States and has not designated a protecting power or other agent approved by the Secretary to be responsible for the property of that foreign mission, the Secretary—

- (1) until the designation of a protecting power or other agent approved by the Secretary, may protect and preserve any property of that foreign mission; and
- (2) may dispose of such property at such time as the Secretary may determine after the expiration of the one-year period beginning on the date that the foreign mission ceased those activities, and may remit to the sending State the net proceeds from such disposition.

(d) Protection from future hostile intelligence activities in the United States

- (1) After December 22, 1987, real property in the United States may not be acquired (by sale, lease, or other means) by or on behalf of the foreign mission of a foreign country described in paragraph (4) if, in the judgment of the Secretary of Defense (after consultation with the Secretary of State), the acquisition of that property might substantially improve the capability of that country to intercept communications involving United States Government diplomatic, military, or intelligence matters.
- (2) After December 22, 1987, real property in the United States may not be acquired (by sale, lease, or other means) by or on behalf of the foreign mission of a foreign country described in paragraph (4) if, in the judgment of the Director of the Federal Bureau of Investigation (after consultation with the Secretary of State), the acquisition of that property might substantially improve the capability of that country to engage in intelligence activities directed against the United States Government, other than the intelligence activities described in paragraph (1).

- (3) The Secretary of State shall inform the Secretary of Defense and the Director of the Federal Bureau of Investigation immediately upon notice being given pursuant to subsection (a) of this section of a proposed acquisition of real property by or on behalf of the foreign mission of a foreign country described in paragraph (4).
- (4) For the purposes of this subsection, the term “foreign country” means—
- (A) any country listed as a Communist country in section 2370(f) of this title;
  - (B) any country determined by the Secretary of State, for purposes of section 2405(j) of the Appendix to Title 50, to be a country which has repeatedly provided support for acts of international terrorism; and
  - (C) any other country which engages in intelligence activities in the United States which are adverse to the national security interests of the United States.
- (5) As used in this section, the term “substantially improve” shall not be construed to prevent the establishment of a foreign mission by a country which, on December 22, 1987—
- (A) does not have a mission in the United States, or
  - (B) with respect to a city in the United States, did not maintain a mission in that city.

(3) In each of the areas described in paragraphs (1) and (2), the limitations and conditions applicable to chanceries shall not exceed those applicable to other office or institutional uses in that area.

(c) Filing of application with Board of Zoning Adjustment; publication of notice; public participation final determination

(1) If a foreign mission wishes to locate a chancery in an area described in subsection (b)(2) of this section, or wishes to appeal an administrative decision relating to a chancery based in whole or in part upon any zoning map or regulation, it shall file an application with the Board of Zoning Adjustment which shall publish notice of that application in the District of Columbia Register.

(d) Criteria for determination

Any determination concerning the location of a chancery under subsection (b)(2) of this section, or concerning an appeal of an administrative decision with respect to a chancery based in whole or in part upon any zoning regulation or map, shall be based solely on the following criteria:

- (1) The international obligation of the United States to facilitate the provision of adequate and secure facilities for foreign missions in the Nation's Capital.
- (2) Historic preservation, as determined by the Board of Zoning Adjustment in carrying out this section; and in order to ensure compatibility with historic landmarks and districts, substantial compliance with District of Columbia and Federal regulations governing historic preservation shall be required with respect to new construction and to demolition of or alteration to historic landmarks.
- (3) The adequacy of off-street or other parking and the extent to which the area will be served by public transportation to reduce parking requirements, subject to such special security requirements as may be determined by the Secretary, after consultation with Federal agencies authorized to perform protective services.
- (4) The extent to which the area is capable of being adequately protected, as determined by the Secretary, after consultation with Federal agencies authorized to perform protective services.
- (5) The municipal interest, as determined by the Mayor of the District of Columbia.
- (6) The Federal interest, as determined by the Secretary.

(e) Consistency of regulations, proceedings, and other actions; review and comment by National Planning Commission

- (1) Regulations, proceedings, and other actions of the National Capital Planning Commission, the Zoning Commission for the District of Columbia, and the Board of Zoning Adjustment affecting the location, replacement, or expansion of chanceries shall be consistent with this section (including the criteria set out in subsection (d) of this section) and shall reflect the policy of this chapter.
- (2) Proposed actions of the Zoning Commission concerning implementation of this section shall be referred to the National Capital Planning Commission for review and comment.

(f) Rule-making nature of proceedings

Regulations issued to carry out this section shall provide for proceedings of a rule-making and not of an adjudicatory nature.

(g) Compliance with District of Columbia building and related codes

The Secretary shall require foreign missions to comply substantially with District of Columbia building and related codes in a manner determined by the Secretary to be not inconsistent with the international obligations of the United States.

(h) Approval of Board of Zoning Adjustment or Zoning Commission not required

Approval by the Board of Zoning Adjustment or the Zoning Commission or, except as provided in section 4305 of this title, by any other agency or official is not required—

- (1) for the location, replacement, or expansion of a chancery to the extent that authority to proceed, or rights or interests, with respect to such location, replacement, or expansion were granted to or otherwise acquired by the foreign mission before October 1, 1982; or
- (2) for continuing use of a chancery by a foreign mission to the extent that the chancery was being used by a foreign mission on October 1, 1982.

(i) Membership on Zoning Commission and Board of Zoning Adjustment

- (1) The President may designate the Secretary of Defense, the Secretary of the Interior, or the Administrator of General Services (or such alternate as such official may from time to time designate) to serve as a member of the Zoning Commission in lieu of the Director of the National Park Service whenever the President determines that the Zoning Commission is performing functions concerning the implementation of this section.
- (2) Whenever the Board of Zoning Adjustment is performing functions regarding an application by a foreign mission with respect to the location, expansion, or replacement of a chancery—
  - (A) the representative from the Zoning Commission shall be the Director of the National Park Service or if another person has been designated under paragraph (1) of this subsection, the person so designated; and
  - (B) the representative from the National Capital Planning Commission shall be the Executive Director of that Commission.

(j) Application of other laws

Provisions of law (other than this chapter) applicable with respect to the location, replacement, or expansion of real property in the District of Columbia shall apply with respect to chanceries only to the extent that they are consistent with this section.

## NOTES OF DECISIONS

State regulation and control 1  
1. State regulation and control

Foreign Missions Act (FMA) granted District of Columbia Foreign Missions Act — Board of Zoning Adjustment (DCFMA-BZA) exclusive original jurisdiction over zoning determinations governing location, replacement or expansion of chancery, and thereby preempted any provisions of District of Columbia zoning laws otherwise applicable to such issues, rather than granting only appellate jurisdiction for all zoning issues relating to chancery beyond initial placement. *Sheridan Kalorama Historical Ass'n v. ### • § 4307. PREEMPTION

Notwithstanding any other law, no act of any Federal agency shall be effective to confer or deny any benefit with respect to any foreign mission contrary to this chapter. Nothing in section 4302, 4303, 4304, or 4305 of this title may be construed to preempt any State or municipal law or governmental authority regarding zoning, land use, health, safety, or welfare, except that a denial by the Secretary involving a benefit for a foreign mission within the jurisdiction of a particular State or local government shall be controlling.

The Secretary may issue such regulations as the Secretary may determine necessary to carry out the policy of this chapter.

(b) Discharge of obligation; liability

Compliance with any regulation, instruction, or direction issued by the Secretary under this chapter shall to the extent thereof be a full acquittance and discharge for all purposes of the obligation of the person making the same. No person shall be held liable in any court or administrative proceeding for or with respect to anything done or omitted in good

(d) Contracts and subcontracts for supplies and services; advertisement; factors considered

Contracts and subcontracts for supplies or services, including personal services, made by or on behalf of the Secretary shall be made after advertising, in such manner and at such times as the Secretary shall determine to be adequate to ensure notice and opportunity for competition, except that advertisement shall not be required when (1) the Secretary determines that it is impracticable or will not permit timely performance to obtain bids by advertising, or (2) the aggregate amount involved in a purchase of supplies or procurement of services does not exceed \$10,000. Such contracts and subcontracts may be entered into without regard to laws and regulations otherwise applicable to solicitation, negotiation, administration, and performance of government contracts. ## NOTES OF DECISIONS

Closing of offices 1

Injunction 2

1. Closing of offices

Secretary of State's order directing closing of Palestine Information Office of Palestine Liberation Organization in Washington, D.C., pursuant to Foreign Missions Act, on ground PIO was "foreign mission" did not burden protected expression; the order merely prohibited PIO from operating as "foreign mission" of PLO and did not prohibit, edit, or restrain distribution of advocacy materials. *Palestine Information Office v. Shultz*, D.D.C.1987, 674 F.Supp. 910, affirmed 853 F.2d 932, 272 U.S.App.D.C. 1.

2. Injunction

Injunctive relief with respect to Secretary of State's decision to order closing of Palestine Information Office of Palestine Liberation Organization in Washington, D.C., pursuant to Foreign Missions Act, on ground PIO was "foreign mission" had

not been justified; injunctive relief with respect to executive's foreign policy action approached outer limits of federal court's constitutional authority, it was not for court to step in and second guess Congress and the executive, and injunctive relief had not been justified given the admitted facts. *Palestine Information Office v. Shultz*, D.D.C.1987, 674 F.Supp. 910, affirmed 853 F.2d 932, 272 U.S.App.D.C. 1.
