Gathering reliable facts is often the most time-consuming step to writing a good story. When you need quality data about our nation's minorities, count on the U.S. Census Bureau.

Discover a Wealth of Information at Your Fingertips

The Decennial Census and the American Community Survey

Quickly locate the latest population and housing census data as they relate to race and Hispanic-origin groups—presented in various formats: datasets, briefs, special reports, maps, etc.

Easily access American Community Survey (ACS) results—the new nationwide survey designed to provide a more timely statistical look at our nation's communities. Think ACS when you need *annual* census-like race and ethnic information.

Social Characteristics

Find interesting information about our nation's minority populations—by categories such as age, health insurance, families, education, the foreign born, women and voting.

We've done the research for you.
