**Application  
for  
TEMPORARY MILITARY TRANSFER OF IFQ**

A quota share (QS) holder may apply for a temporary military transfer by submitting a temporary military transfer application to the Alaska Region, NMFS. A QS holder who has received an approved temporary military transfer from NMFS Restricted Access Program (RAM) may transfer the individual fishing quota (IFQ) derived from his or her own QS to an individual eligible to receive IFQ.

In the event of a military mobilization affecting a QS holder that prevents him or her from being able to participate in the halibut or sablefish IFQ fisheries, the Regional Administrator may approve a temporary military transfer for the IFQ derived from the QS held by a QS holder affected by the military mobilization.

General A temporary military transfer will be approved if the QS holder demonstrates that he or she is unable to participate in the IFQ fishery for which he or she holds QS because of a military mobilization or activation to duty status.

Eligibility To be eligible to receive a temporary military transfer, a QS holder must:

- ◆ Be a member of a branch of the U.S. National Guard or other U.S. military reserve.
- ◆ Possess one or more catcher vessel IFQ permits.
- ◆ Not qualify for a hired master exception under § 679.42(i)(1).

**Note:** A Separate Application must be submitted for each Temporary Military Transfer of IFQ.

A temporary military transfer application is available at <https://alaskafisheries.noaa.gov/>. The original application must be submitted — an application sent by facsimile will not be processed.

Please allow at least ten working days for your application to be processed. Items will be sent by first class mail, unless you provide alternate instructions *and* include a prepaid mailer with appropriate postage or corporate account number for express delivery.
