
FAS Export Directory of U.S. Food Distribution Companies

Registration Form

The mission of the Foreign Agricultural Service (FAS) is to promote exports of U.S. food, farm, seafood, fishery and forestry products. One of the ways this is accomplished is with the Export Directory of U.S. Food Distribution Companies. The list provides the names of qualified U.S. exporters that have the capacity to provide mixed containers of grocery products directly to a foreign buyer. The Export Directory of U.S. Food Distribution Companies can be found on-line at <http://usdistributors.agexportservices.org/Apps/StoreFronts/search.asp>.
