¹ Days-away-from-work cases include those that result in days away from work with or without job transfer or restriction.

² Excludes farms with fewer than 11 employees.

³ Information is not shown separately for injured workers under age 14; they accounted for fewer than 50 cases.

* This table was replaced on 11/1/2007. The 35 to 44 years old age group estimates in the previous version of this table, which was posted on 11/17/2006, were revised in industries included in NAICS 212, Mining (except Oil and Gas). These revised estimates also affect the age group estimates for

these higher level industry sectors: Mining (NAICS code 22); Natural Resources and Mining; Goods-producing industries; and total private industry.

NOTE: Dashes indicate data that are not available. Because of rounding and data exclusion of nonclassifiable responses, data may not sum to the totals.
