Days-away-from-work cases include those which result in days away from work with or without restricted work activity.
 Based on the 1992 occupational injury and illness classification structure developed by the Bureau of Labor Statistics.
 Includes nonclassifiable responses.

NOTE: Dashes indicate data that are not available or data that do not meet publication guidelines. Because of rounding, data may not sum to the totals. Major classifications may include detailed classifications not shown separately. n.e.c. = not elsewhere classified.
