FORM AP-N: Imports of Specified Equipment and Non-Nuclear Material

Reporting requirements are set forth in 10 CFR Parts 75 and 110 of the U.S. Nuclear Regulatory Commission (NRC) Regulations.

INSTRUCTIONS:

Submit Form AP-N if NRC requests you to confirm receipt of specified equipment or non-nuclear material at your site per an IAEA request. This information will help the IAEA to verify that your site received equipment or material that was specified as an export in the declaration from another country.

Question N.1 Site Reporting Code: Provide the site reporting code, assigned by BIS, that was reported to you after your Initial Report was received. If you have not previously reported information to BIS, a site reporting code will be assigned and provided to you with the request for this information.

Question N.2 Building Information: Provide the name or number for the building, as it appears on the site map submitted with Form AP-B, and, if needed, room number(s) and any additional information that more precisely defines where the imported specified equipment or non-nuclear material is located.

Question N.3 Type of Imported Equipment or Material and Annex II Reference Number: Provide a brief description of the equipment or material imported and reference the paragraph number from Supplement 3 of this guidance that covers the imported equipment or material.

Question N.4 Date Import was Received: Provide the date (in mm/dd/yyyy format) on which the specified equipment or non-nuclear material was received at your site. If the equipment or material in question was never received at your site, please indicate so by writing/typing “not received” in the

space provided.

Question N.5 Response to IAEA Import Information Request: Provide any further information that responds to questions submitted by the IAEA and that would clarify/further confirm that the specified equipment or material in question was or was not received at your site. Use Form AP-P if additional space is needed.

Questions N.6 Continuation Form: Check this box if a Continuation Form, Form AP-P, has been used to provide additional information for any of the above questions.
