			35.0 percent or more	82	3.8
			Not computed	290	13.6
				867	40.7

NOTE: To maintain confidentiality, the Census Bureau applies statistical procedures that introduce some uncertainty into data for small geographic areas with small population groups. The census results in these tables contain nonsampling error, but do not contain sampling error. Data users who create their own estimates using data from these tables should cite the Census Bureau as the source of the original data only. See also the subject definitions.

- Represents zero or rounds to zero. (X) Not applicable.
