FREQUENTLY ASKED QUESTIONS (FAQs)

I THINK THIS IS A WASTE OF TAXES!!

There are many reasons why it's definitely NOT a waste of tax dollars. Government agencies, businesses, and the general public rely on up-to-date statistics, like the information we are collecting in this survey, to make informed decisions. This survey will provide more timely information for decision makers to plan public programs for everyone in your community. It will help businesses to evaluate a community's potential for the business to locate or expand in the community. It also will offer more accurate and more detailed information whenever a community needs facts about a town or local area.
