

(3) Virginia must develop quality control procedures, test equipment specifications, quality control procedures manual, or other ordinance or documents to satisfy all the quality control requirements of 40 CFR 51.359;

(4) Virginia must amend its regulation to allow that waivers be issued only by a single contractor or by the Commonwealth, per 40 CFR 51.360(c)(1);

(5) The final SIP submittal must include the procedures document that adequately addresses the means by which the Commonwealth will comply with all the motorist compliance enforcement program oversight requirements set forth at 40 CFR 51.362;

(6) Virginia must complete and submit as a SIP revision to EPA procedures manuals for use by the Commonwealth's quality assurance auditors to conduct covert and overt audits for program oversight purposes, per 40 CFR 51.363(e);

(7) The Commonwealth must adopt, and submit as a SIP revision, a penalty schedule for inspectors and inspection stations, per 40 CFR 51.364 (a) and (d);

(8) Virginia's SIP, either the regulation or the test equipment specifications, must require that the specific data elements identified in 40 CFR 51.365(a) be collected and reported to the Commonwealth on a real-time basis;

(9) Virginia must finalize and submit the final "Public Information Plan" described in the SIP, to satisfy the requirements of 40 CFR 51.368 (a) and (b);

(10) Virginia must formally submit the procedures and criteria to be used in meeting the repair performance monitoring requirements set forth in 40 CFR 51.369(b) and a description of the repair technician training resources available in the community (when available), per 40 CFR 51.369(c);

(11) Virginia must submit detailed recall compliance procedures and a commitment to annually report recall compliance information to EPA, per the requirements of 40 CFR 51.370;

(12) Virginia must amend the SIP to include information regarding resource allocation for the on-road testing program, as well as methods for analyzing and reporting the results of on-road testing, per 40 CFR 51.371. This may entail submittal of an on-road testing procedures manual or the request for proposals (RFP) for the contractor to be hired to operate the on-road testing program;

(13) Virginia must list in its schedule of implementation milestones deadlines by which all procedures documents not yet part of the SIP are to be finalized and submitted to EPA.

(d) EPA is also approving this Enhanced I/M SIP revision under section 110(k), for its strengthening effect on the plan.

## DEPARTMENT OF COMMERCE

### National Oceanic and Atmospheric Administration

#### 50 CFR Part 679

[Docket No. 961119321-7071-02; I.D. 110796G]

#### Fisheries of the Exclusive Economic Zone Off Alaska; Correction

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Final rule; correction.

**SUMMARY:** This document contains corrections to the final regulations (I.D. 110796G), which were published in the **Federal Register** April 11, 1997, pertaining to the groundfish fisheries of the Gulf of Alaska (GOA) and the Bering Sea and Aleutian Islands management area (BSAI). This action corrects regulations by requiring groundfish weight to be reported to the nearest 0.001 mt and removes a redundant paragraph.

**EFFECTIVE DATE:** May 12, 1997.

**FOR FURTHER INFORMATION CONTACT:** Patsy A. Bearden, NMFS, 907-586-7228.

#### SUPPLEMENTARY INFORMATION:

##### Background

A final rule was published in the **Federal Register** on April 11, 1997 (62 FR 17753), that implemented several revisions to recordkeeping and reporting requirements established for the GOA and BSAI groundfish fisheries. This final rule becomes effective on May 12, 1997.

##### Need for Correction

As published, the instructions to revise the regulations contained errors that resulted in the omission of several intended revisions to regulatory text.

NMFS is correcting these errors as follows and makes no substantive changes.

1. In § 679.5, paragraphs (a)(10)(ii) through (v) were not listed in amendatory language instruction number 4 (page 17756, column 2, line 16) of the final rule, but text implementing those changes in the regulations was published. This action corrects the amendatory language instruction by specifying that § 679.5(a)(10)(ii) through (v) were changed by replacing "0.01 mt" to read "0.001 mt."

2. In § 679.5(i)(3)(ii), (iii), and (iv) and § 679.5(j)(4)(ii), (iii), and (iv), this action changes "0.01 mt" to read "0.001 mt" and removes § 679.5(a)(10)(i)(C) which duplicates text found at § 679.5(a)(10)(i)(B).

The corrected final rule will become effective on May 12, 1997, as originally announced in the **Federal Register**.

#### List of Subjects in 50 CFR Part 679

Fisheries, Reporting and recordkeeping requirements.

Dated: May 7, 1997.

**Rolland A. Schmittin,**

*Assistant Administrator for Fisheries, National Marine Fisheries Service.*

For reasons set out in the preamble, the following corrections are made to the final rule amending 50 CFR part 679, which was published beginning on page 17753 in the **Federal Register** for April 11, 1997, in FR Doc. 97-9390 as follows:

#### PART 679—FISHERIES OF THE EXCLUSIVE ECONOMIC ZONE OFF ALASKA

1. The authority citation for 50 CFR part 679 continues to read as follows:

**Authority:** 16 U.S.C. 773 *et seq.*, 1801 *et seq.*

##### § 679.5 [Corrected]

2. On page 17756, in the second column, instruction paragraph 4. for § 679.5 is corrected by adding the following instructions in the last line before the words "to read as follows:"

4. \* \* \* the reference to "0.01 mt" is corrected to read "0.001 mt" in paragraphs (i)(3)(ii) through (iv) and (j)(4)(ii) through (iv); paragraph (a)(10)(i)(C) is removed; and paragraphs (a)(10)(ii) through (v) are revised \* \* \*.
