Form 990 Redesign for Tax Year 2008
Schedule E, Schools – Highlights
December 20, 2007

Rationale and Overview

Current Form 990 Schedule A, Part V requests information regarding a private school's non-discriminatory practices and policies.

Separation from Form 990, Schedule A

The Draft moved the questionnaire to new Schedule E so that Schedule A was limited to reporting information pertinent to public charity status. There are no changes to the schedule's questions.
