

**Non-Target Species Committee
April 23, 2008
AFSC Building 4
NMML Room
Seattle, Washington**

AGENDA

- I. Review Council list of priorities for managing BSAI and GOA other species component
- II. Take staff reports on identified list of priorities
 - 1) move BSAI and/or GOA squid into the forage fish category;
 - 2) move BSAI and/or GOA octopus into the forage fish category or remove it from the FMPs and defer management to the State of Alaska;
 - 3) delete Alternative 5 (add grenadiers to the TAC specification process); and
 - 4) separate the proposed alternatives into distinct BSAI and GOA amendment packages
- III. Provide recommendations
- IV. New Business: review 2008 eulachon biomass estimates and harvests
- V. Other Business
- VI. Next meeting, dependent on June 2008 Council action
- VII. Adjourn
