| <b>FOOD HISTORY</b>  |
|--|
| <b>INSTRUCTIONS FOR INTERVIEWER:</b> Ask case-patient about the food he/she consumed during the 4 weeks before his/her Listeria SPECIMEN COLLECTION DATE. Please list venues and food exposures from U.S. locations only. In the event of a fetal death or neonatal infection (<1 month of age), the MOTHER is the case-patient, and she should be asked about her food history during the 4 weeks before DELIVERY. Please refer to patient as “you” if interviewing the case-patient directly; if interviewing a surrogate, please use “he” or “she.” |

| <b>INSTRUCTIONS TO READ TO CASE-PATIENT (OR SURROGATE):</b>  |
|--|
| I am interested in the foods you ate during the 4 weeks before your illness ( <i>delivery</i> ). I see that you had a positive test for listeriosis ( <i>delivered</i> ) on ___/___/____. For most of the interview, I will be asking you questions about the 4 weeks before this date, that is, from ___/___/___ (date 4 weeks before) through ___/___/___ (specimen collection/delivery date). ( <i>Have patient get calendar for reference if possible.</i> ) First I'd like to ask you about where the foods you ate were purchased. I am going to read you a list of places where food can be purchased. For each, please tell me if you ate food purchased from that type of place in the four week time period. I know that it can be difficult to remember that far back, but please do the best you can. If you're not sure, please tell me whether it's likely or unlikely that you ate food purchased from that location. |
| <b>I. FOOD PURCHASE HISTORY</b>  |
| <b>A. Grocery stores:</b> Did you eat food purchased from any grocery stores during the 4 week time period? ( <i>Please read all options.</i> )  |
| <input type="checkbox"/> Yes <input type="checkbox"/> It's likely <input type="checkbox"/> It's unlikely <input type="checkbox"/> No <b>If yes or likely,</b>  |

**II. FOOD CONSUMPTION HISTORY**  
**INSTRUCTIONS FOR INTERVIEWER:** Please read all options to case-patient in each category. For the names of purchase sites, it is preferable to use codes from Section I above, e.g. A1 for first grocery store, A3 for third grocery store, C5 for fifth restaurant. A DELI COUNTER serves portions or helpings of salads, cheeses, and meats sliced ON-SITE at a specified counter within a grocery store, food market, or delicatessen. Foods sliced and packaged AT the FACTORY and sold as pre-packaged containers in self-serve refrigerated display cases are NOT considered to be from a deli counter

**INSTRUCTIONS TO READ TO CASE-PATIENT (OR SURROGATE):**  
 Now I'd like to ask you about the foods that you ate between \_\_\_\_/\_\_\_\_/\_\_\_\_ (date 4 weeks before) through \_\_\_\_/\_\_\_\_/\_\_\_\_ (specimen collection/delivery date). For each food item, please give me your best guess as to whether you ATE the food, you're not sure but you LIKELY ATE the food, you're not sure but you LIKELY DID NOT EAT the food, or you DID NOT EAT the food.

**MEATS:** In the 4 week period, did you eat any of the following COLD CUT, DELI MEAT, OR LUNCHEON MEAT items?
