Vaccine Information Statements

At a glance:

Vaccine Information Statements (VIS) are information sheets produced by the Centers for Disease Control and Prevention (CDC) that explain to vaccine recipients, their parents, or their legal representatives both the benefits and risks of a vaccine. Federal law (105 Stat. 1855) requires that VISs be handed out whenever (before each dose) certain vaccinations are given.

Downloadable VISs :

- Multiple Vaccines (new) (DTaP, IPV, Hib, PCV, Hepatitis B, and Rotavirus)
- Anthrax | DTaP | Hepatitis (UPDATED) | Hib | Influenza (UPDATED) | HPV | JE | MMR
- Meningococcal (UPDATED) | PCVZ | PPV23 | Polio | Rabies | Rotavirus | Shingles
- Smallpox | Td | Tdap | Typhoid | Varicella | Yellow Fever
