

**US-China Build Program Trade Show Pavilion—
2009 International Building & Construction Trade Fair
- May 25-28, 2009, Shanghai, China**

For the sixth year, the US-China Build Program, is organizing a US pavilion at the International Building & Construction Trade Fair in Shanghai for US companies and their overseas representatives.

- The booth package for the event includes a 129ft²/12m² (2m wide x 6m deep/21ft w x 64ft d.) space, plus:
- 2 information counters
 - 6 grey fabric chairs
 - 3 white wall panel
 - 1 waste paper basket
 - carpeting floor of the stand
 - 2 local power supply sockets
 - 8 spot lights
 - US Pavilion signage and above head banners
 - Consultations with China-staff

Companies interested in table top displays in the US-China Build booth are welcome and encouraged to staff their displays. If company representatives are not available, US-China Build staff will arrange the displays and field inquiries for companies. Table top and booth space is limited, so reserve your space early.

For more information, contact Rose Braden, US-China Build Program Manager at (503) 248-0407 or rbraden@uschinabuild.org. For photos and more information go to: www.uschinabuild.org/en/events

Table Top Space: EBPA Members: \$500, Non-Members: \$600

Registration Deadline: February 27, 2009. No refunds can be made after registering.

Comments from Past Participants:

“The manager of our Shanghai office said that this was the best trade show that he has attended with regards to the quality of the leads. We were able to set up a couple of new distributors in China who are now in the process of finalizing their first orders.”

*Bill Mann, VP of Sales
United Coatings*

- 2008 Show Statistics**
- 2,762 exhibitors
 - 6.4 million square feet of exhibit space
 - Visited by 56,187 professionals
 - US\$410 million in sales signed

US-China Build is organized jointly by the Evergreen Building Products Association and American Forest & Paper Association. Additional funding and cooperation is provided by the US Dept. of Agriculture, Foreign Agriculture Service, through a grant from the US Dept. of Commerce’s Market Development Cooperator Program, and from the Softwood Export Council, APA-The Engineered Wood Association, the State of Washington Office of Community, Trade and Economic Development, and the Center for International Trade in Forest Resources (CINTRAFOR).

Yes, I would like to participate in the 2009 International Building & Construction Trade Fair.
