

Presidential Appointments - Application

Apply for a Job

President Barack Obama will make ongoing appointments for non-career positions throughout the federal government. This application will allow you to apply for these positions in the White House or any Federal Department, Agency or Commission. Some of these non-career positions will require Senate confirmation.

Paper applications should be mailed along with the latest copy of your resume to:

**Presidential Personnel Office
The White House
Washington, DC 20502.**

It is not necessary to include any additional materials besides the application and your resume in the mail. Any additional information will be disposed of and will not be considered in reviewing your application.

If you previously applied for a non-career position with the Obama-Biden Administration at <http://change.gov> and your information has not changed, you do not need to complete a new application. Applications previously submitted to the Obama-Biden Transition Project have been retained and are still up for consideration by the Presidential Personnel Office.

If you are considered for a specific position, you will be asked to fill out additional forms, including financial disclosures, and be subject to other reviews, which may include FBI background checks. If the position requires Senate confirmation, the Senate committee that reviews nominations for that position may also ask you to provide additional information.

Please note that any information you provide in this application may be subject to public disclosure pursuant to applicable law, including if requested through the Freedom of Information Act.

All information provided in connection with your application for employment may be used by the Obama-Biden Administration for the purpose of considering your eligibility for employment.

Thank you for your interest in serving in the Obama-Biden Administration.

If you are a user with disabilities who is having trouble accessing the application form, please contact the Presidential Personnel Office at 202-456-9713.

The Obama-Biden Administration does not discriminate on the basis of race, color, religion, sex, age, national origin, veteran status, sexual orientation, gender identity, disability, or any other basis of discrimination prohibited by law.
