Best Practices Conference
Arlington, VA May 5-7, 2009

LEADING CHANGE

FORGING SOLUTIONS

The goals of this conference are:

- To share practices, techniques, and tools that have proven successful in developing and sustaining high quality programs.
- To offer participants the opportunity to meet, reconnect and network with their colleagues.

Participants will be able to

- Engage in peer-to-peer learning and dialogue,
- Incorporate effective practices, program design elements and strategies for organizational excellence,
- Take home tools and resources that they can use locally.

This event is sponsored by the Corporation for National and Community Service.
