Attn: Section 201 Duties

Dear Assistant Secretary Jochum:

Our company operates two sawmills in Montana. Solving the dumping of lumber by Canadian producers is of the utmost importance to our company.

We believe that the enormous problem of unfair Canadian lumber trade will only be solved when the Canadian government and mills understand that they must stop their unfair practices or the U.S. Government will fully offset the unfair trade and return the funds to injured U.S. producers.

Sincerely,

JAMES H. ANTHONY  
Executive Vice-President
