2007	
Jan	<p>CLA meeting to consider responses to Government comments on Summary for Policymakers, <i>January 27 – 28</i>.</p> <p>IPCC Working Group I Plenary Session of Government representatives to approve Summary for Policymakers line by line and accept the underlying report - <i>January 29 – February 1</i>. At least one CLA from each chapter should be present.</p> <p>Press conference <i>February 2</i>. Participation by CLAs to be discussed.</p>

Notes.

1. There are 4 “writing periods” of at least 10 weeks following each of the Lead Author meetings. Individual chapter meetings may be convened between Lead Author meetings if necessary, and opportunities to synchronize those with other science meetings should not be overlooked.

2. There is one informal review period and two formal review periods of at least 8 weeks. Comments from all reviews will be collated by the TSU and passed to the chapter CLAs. Comments received in the two formal reviews and the responses by the author teams to them need to be recorded and archived by the TSU.
