

Agency:

Selective Service System
1515 Wilson Boulevard
Arlington, VA 22209

Designated Senior-level Official:

Calvin Montgomery
Chief Acquisition Officer

Agency Strategy:

- The Chief Acquisition Officer (CAO) is designated as the senior level official responsible for carrying out the agency strategy.
- The strategy will be a critical element in the CAO performance plan.
- One percent of all SSS contracts will be reserved for service-disabled veterans' businesses.
- Encourage prime contractors to sub with service-disabled veterans' businesses.
- All agency buyers are trained on applicable laws and policies relating to Federal contracting with service-disabled veterans' businesses.
- Service -disabled veterans' businesses information is disseminated to buyers and program managers so that they are aware of their capabilities.
- The Selective Service System (SSS) will start hosting quarterly roundtable outreach counseling sessions. The purpose of these sessions is to provide the small business community the opportunity to meet with the Contracting Officer, and buyers to discuss their capabilities and learn of potential procurement opportunities at SSS.

For example:

Small Business Program

Service Disabled Business Owned Small Business Program

8(a) Program

Women-Owned Small Business Program

- SSS achievement of its stated strategy shall be measured through the quarterly Federal procurement Data System (FPDS).
