NOTICE TO INDIVIDUALS REQUIRED BY THE PRIVACY ACT OF 1974 AND THE PAPERWORK REDUCTION ACT OF 1995

The solicitation of information requested in this form is authorized by the Communications Act of 1934, as amended. The Commission will use FCC licensed technicians to conduct ship inspections and determine if the radio installation is in compliance with the requirements of the Communications Act of 1934, as amended. All information provided in this form, as well as the form itself, will be available for public inspection. The foregoing notice is required by the Privacy Act of 1974, Public Law 93-579, December 31, 1974, 5 U.S.C. Section 552a(e)(3).

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden to Federal Communications Commission, AMD-PERM, Paperwork Reduction Project (3060-0835), Washington, DC 20554. We will also accept your comments via the internet if you send them to jboley@fcc.gov. DO NOT SEND COMPLETED FORMS TO THIS ADDRESS. Individuals are not required to respond to a collection of information unless it displays a currently valid OMB control number or if we fail to provide you with this notice. This collection has been assigned an OMB control number of 3060-0835. The foregoing notice is required by the Paperwork Reduction Act of 1995, Public Law 104-13, October 1, 1995, 44 U.S.C. Section 3507.
