MEMORANDUM TO AGENCY CHIEF INFORMATION OFFICERS

FROM: Karen S. Evans 
Administrator
E-Government and Information Technology

SUBJECT: Updated Instructions for Public Reporting of Homeland Security
Presidential Directive 12 (HSPD-12) Implementation Status

This memo provides updated instructions for your agency public reporting of HSPD-12 implementation status. OMB M-07-06, "Validating and Monitoring Agency Issuance of Personal Identity Verification Credentials," required agencies to publicly post a quarterly status report as follows:

- Beginning March 1, 2007 and each quarter thereafter, agencies will post to their federal agency public website a report on the number of Personal Identity Verification credentials issued. Agencies must use the attached report template to distinguish between credentials issued to employees, contractors, and others (e.g., visiting scientists). The website address should be provided to OMB at eauth@omb.eop.gov.

Based on publicly posted information, a number of agencies will have difficulty meeting their original timetable. As requested in OMB M-08-01, "HSPD-12 Implementation Status," we request you either confirm your current plan is still on target or update your plan with a revised schedule under which your agency will meet as soon as possible the requirements of HSPD-12 and associated policy memoranda.

Please ensure your agency's HSPD-12 implementation status report is publicly posted and is current. Additionally, OMB has modified the template previously distributed with M-07-06 (see Attachment) to include additional information on status of background investigations and major milestones as outlined in agencies' HSPD-12 implementation plans. For consistency and clarity regarding the data in these reports, OMB is requiring agency's report their status as of the 1st day of the 3rd month in each fiscal quarter. Agencies must post these reports within 30 days of this date to ensure the public status is available by the end of each fiscal quarter. OMB will release quarterly, a government-wide status summary, on E-Gov.gov, using this information.

We will continue to work with you in meeting the goals outlined in HSPD-12. If you have questions regarding HSPD-12 or need to update your HSPD-12 implementation plan, please contact Carol Bales at 202-395-9915 or eauth@omb.eop.gov.
