ARTICLE I - PURPOSE AND SECURITY PROVIDED

The purpose of this Intergovernmental Service Agreement (IGA) is to establish a formal binding relationship between the United States Marshals Service (USMS) and other federal user agencies (the Federal Government) and Pulaski County (the Local Government) for the detention of persons charged with or convicted of violations of federal law or held as material witnesses (federal prisoners) at the Pulaski County (Tri County Detention Center (the facility).

The Local Government agrees to accept and provide for the secure custody, care and safekeeping of federal prisoners in accordance with state and local laws, standards, policies, procedures, or court orders applicable to the operations of the facility. The USMS considers all federal prisoners medium/maximum security-type prisoners that are housed within the confines of the facility, at a level appropriate for prisoners considered a risk of flight, a danger to the community, or wanted by other jurisdictions.

ARTICLE II - ASSIGNMENT AND CONTRACTING OF CATEGORICAL PROJECT-SUPPORTED EFFORT

1. Neither this agreement nor any interest therein may be assigned or transferred to any other party without prior written approval by the USMS.
2. None of the principal activities of the project-supported effort shall be contracted out to another organization without prior approval by the USMS. Where the intention to award contracts is made known at the time of application, the approval may be considered granted if these activities are funded as proposed.
3. All contracts or assignments must be formalized in a written contract or other written agreement between the parties involved.
4. The contract or agreement must, at a minimum, state the activities to be performed, the time schedule, the project policies, and the flow-through requirements that are applicable to the contractor or other recipient, other policies and procedures to be followed, the dollar limitation of the agreement, and the cost principles to be used in determining allowable costs. The contract or other written agreement must not affect the recipient's overall responsibility for the duration of the project and accountability to the government.

ARTICLE III - MEDICAL SERVICES

1. The Local Government agrees to provide federal prisoners with the same level of medical care and services provided to local prisoners, including the transportation and security for prisoners requiring removal from the facility for emergency medical services. All costs associated with hospital or health care services provided outside the facility will be paid directly by the Federal Government. In the event the Local Government has a contract with a medical facility/physician or receives discounted rates, the federal prisoners shall be charged the same rate as local prisoners.

United States Marshals Service

Intergovernmental Service Agreement Schedule	IGA No. 25-99-0135	Page No. 3 of 10
<p>2. The Local Government agrees to notify the United States Marshal (USM) as soon as possible of all emergency medical cases requiring removal of a prisoner from the facility and to obtain prior authorization for removal for all other medical services required.</p> <p>3. When a federal prisoner is being transferred via the USMS airlift, he/she will be provided with three (3) to seven (7) days of prescription medication which will be dispensed from the detention facility. When possible, generic medications should be prescribed.</p> <p>4. Medical records must travel with the federal prisoner. If the records are maintained at a medical contractor's facility, it is the detention facility's responsibility to obtain them before a federal prisoner is moved.</p> <p>5. Federal prisoners will not be charged and are not required to pay their own medical expenses. These expenses will be paid by the Federal Government.</p> <p>6. The Local Government agrees to notify the USM as soon as possible when a federal prisoner is involved in an escape, attempted escape, or conspiracy to escape from the facility.</p>		
<p><u>ARTICLE IV - RECEIVING AND DISCHARGE</u></p>		
<p>1. The Local Government agrees to accept as federal prisoners those persons committed by federal law enforcement officers for violations of federal laws only upon presentation by the officer of proper law enforcement credentials.</p> <p>2. The Local Government agrees to release federal prisoners only to law enforcement officers of agencies initially committing the prisoner (i.e., DEA, INS, etc.) or to a Deputy USM. Those prisoners who are remanded to custody by a USM may only be released to a USM or an agent specified by the USM of the Judicial District.</p> <p>3. The Federal Government agrees to maintain federal prisoner population levels at or below the level established by the facility administrator.</p> <p>4. Federal prisoners may not be released from the facility or placed in the custody of state or local officials for any reason except for medical emergency situations. Federal prisoners sought for a state or local court proceeding must be acquired through a Writ of Habeas Corpus or the Interstate Agreement of Detainers and then only with the concurrence of the District USM.</p>		
<p><u>ARTICLE V - PERIOD OF PERFORMANCE</u></p>		
<p>This agreement shall be in effect indefinitely until terminated in writing by either party. Should conditions of an unusual nature occur making it impractical or undesirable to continue to house prisoners, the Local Government may suspend or restrict the use of the facility by giving written notice to the USM. Such notice will be provided thirty (30) days in advance of the effective date of formal termination and at least</p>

two (2) weeks in advance of a suspension or restriction of use unless an emergency situation requires the immediate relocation of prisoners.

ARTICLE VI - PER DIEM RATE AND ECONOMIC PRICE ADJUSTMENT

1. A temporary jail day rate of \$40.00 has been established for a period of one (1) year, expiring on March 31, 2000, pending receipt of actual and allowable costs associated with the operation of the facility. The Local Government must submit these costs sixty (60) days prior to expiration. The jail day rate for subsequent periods will be adjusted based on the actual operational costs for the facility which could result in the rate decreasing, increasing, or remaining unchanged.
2. The Federal Government shall reimburse the Local Government at the per diem rate identified on page one (1) of this agreement. The rate may be renegotiated not more than once per year, after the agreement has been in effect for twelve (12) months.
3. The rate covers one (1) person per "prisoner day". The Federal Government may not be billed for two (2) days when a prisoner is admitted one evening and removed the following morning. The Local Government may bill for the day of arrival, but not for the day of departure.
4. When a rate increase is desired, the Local Government shall submit a written request to the USM at least sixty (60) days prior to the desired effective date of the rate adjustment. All such requests must contain a completed Cost Sheet for Detention Services (USM-243) which can be obtained from the USM. The Local Government agrees to provide additional cost information to support the requested rate increase and to permit an audit of accounting records upon request of the USMS.
5. Criteria used to evaluate the increase or decrease in the per diem rate shall be those specified in the Office of Management and Budget (OMB) Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments.
6. The effective date of the rate modification will be negotiated and specified on the IGA Modification form approved and signed by a USMS Contract Specialist. The effective date will be established on the first day of the month for accounting purposes. Payments at the modified rate will be paid upon the return of the signed modification by the authorized Local Government official to the USM.

ARTICLE VII - BILLING AND FINANCIAL PROVISIONS

1. The Local Government shall prepare and submit original and separate invoices each month to the federal agencies listed below for certification and payment.

3. Changes in IGA facilities: The USMS shall be notified by the recipient of any significant change in the facility, including significant variations in inmate populations, which causes a significant change in the level of services under this IGA. The notification shall be supported with sufficient cost data to permit the USMS to equitably adjust the per diem rates included in the IGA.
