drains overboard. This livewell incorporates Grady-White's unique design consisting of a full plenum water distribution system, a threaded standpipe drain, and a light. On the transom wall is located a 185 qt. overboard draining fishbox besides the livewell. The casting platform in the forward area contains two 37 gallon overboard draining fishboxes. The console contains an enclosed head with lockable door. A battery select box is located on the aft cockpit wall for easy accessibility.
