2008-2009 SAR Comment Codes and Text

Overview

The 2008-2009 SAR Comment Codes and Text document serves as a standalone guide, as well as a companion to the *2008-2009 Electronic Data Exchange (EDE) Technical Reference*.

Please refer to this document for information on the 2008-2009 Student Aid Report (SAR) comment codes and text.

New for 2008-2009: We no longer have SAR Acknowledgement comment codes or text. Variable text prints on the first page of the SAR Acknowledgement to inform the applicant of processing results.

We have not included the Web versions of the SAR comment text in this guide, *with one exception (see the “Deleted Comments” section on page 5)*, because they are very similar to the SAR comment text. The only differences are wording changes that make the comments relevant to the Web version of the SAR rather than to the paper form or printed (electronic) ISIR. For example, the text for a SAR comment code may describe printed information, whereas the equivalent Web comment code describes a Web page displaying the information.

How do the comment codes and text work?

The Central Processing System (CPS) adds comment codes and text to the student's transaction to provide information to the student and to you about the student's processed Free Application for Federal Student Aid (FAFSA).

The comment codes and text are printed on paper SARs and on ISIRs printed from EDEXpress or other financial aid software you may use. Each comment code is three digits and can be found in positions 1790 to 1849 in the ISIR file.

How do I use the 2008-2009 SAR Comment Text table?

The following table lists the CPS comment codes. In the first column, we have listed the comment codes numerically. In the second column, you will find the comment text that is printed on SARs and on printed ISIRs. In the third column, we describe changes to the comment text. In the fourth column, we indicate whether or not a C code is set. The CPS typically generates a C code when database match results require resolution by the school. The CPS also generates a C code if an applicant's response to the FAFSA drug question (question 31) requires resolution or FAA action. If a reject code is associated with a comment code, we list the reject code in column five.

Where can I find more information about ISIRs?

The 2008-2009 ISIR Guide is designed to assist FAAs with interpreting student information from ISIRs. The *2008-2009 ISIR Guide* will be available in November on the U.S. Department of Education's Federal Student Aid Download (FSAdownload) Web site, located at fsadownload.ed.gov, as well as on the Information for Financial Aid Professionals (IFAP) Web site, located at ifap.ed.gov.

Changes to the Comment Codes

SAR Comment Code Changes

New Comments

The comments in the following table are new for 2008-2009. Comments 062, 272, 273, and 274 have been retained from the previous cycle; however, for 2008-2009 the comment text has changed and different edits cause these comments to be assigned to a student's record. The table also provides a brief description of the reasons why the new comments would be included in a student's record:

New Comments

Comment	Reason this Comment Displays on the Record
001	This heading comment ("WHAT YOU MUST DO NOW. Use the checklist below to make sure that all of your issues are resolved") is the first comment that prints on each record.
062	This student's record has a Reject 4; marital status date is greater than the date the record was signed.
255	The undergraduate student's loans exceed the loan limit (see the note below).
258	The undergraduate student's loans are close to the loan limit (see the note below).
259	The student's NSLDS record indicates a loan categorized by identity theft.
272	The student's NSLDS record indicates a loan that is potentially fraudulent.
273	Corrections were made to the parent tax fields but no correction was made to change the tax return status from an estimated tax return.
274	Corrections were made to the student tax fields but no correction was made to change the tax return status from an estimated tax return.
275	The student was issued a PIN to sign the 2008-2009 FAFSA and the student's PIN information was confirmed with the Social Security Administration (SSA). The PIN can now be used for all purposes.

New Comments (Continued)

Comment	Reason this Comment Displays on the Record
276	The student was issued a PIN to sign the 2008-2009 FAFSA but the student's PIN information was not confirmed with the SSA. The PIN has now been deactivated and instructions for resolving the issue with the SSA are provided in an associated comment.
277	The father was issued a PIN to sign the 2008-2009 FAFSA and his PIN information was confirmed with the Social Security Administration (SSA). The PIN can now be used for all purposes.
278	The father was issued a PIN to sign the 2008-2009 FAFSA but his PIN information was not confirmed with the SSA. The PIN has now been deactivated and instructions for resolving the issue with the SSA are provided in an associated comment.
279	The mother was issued a PIN to sign the 2008-2009 FAFSA and her information was confirmed with the Social Security Administration (SSA). The PIN can now be used for all purposes.
280	The mother was issued a PIN to sign the 2008-2009 FAFSA but her PIN information was not confirmed with the SSA. The PIN has now been deactivated and instructions for resolving the issue with the SSA are provided in an associated comment.
281	<i>The student responded "Yes" to being interested in the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program on FAFSA on the Web. This comment refers the student to teachgrant.ed.gov or 1-800-4-FED-AID for more information.</i>
282	<i>Indicates the student has not been given the opportunity to answer the TEACH Grant question. This includes students who file a paper FAFSA, as well as those students for whom the application is generated by a school in FAA Access to CPS Online or through the EDE process. This comment refers the student to teachgrant.ed.gov or 1-800-4-FED-AID for more information.</i>

Note: We expanded our “close to” or “exceeding loan limit” comments from two comments (256 and 257) to four comments (255 to 258) to distinguish between undergraduate limits or combined undergraduate and graduate limits. In prior years, we applied comments 256 and 257 to a student’s record when he or she was close to or was exceeding undergraduate or graduate loan limits, based on his or her grade level in college. We did not identify the loan level the student was close to or was exceeding. This year we added comments 255 and 258 to provide loan limit information for undergraduate loans only. We modified the text in comments 256 and 257 to provide loan limit information for combined undergraduate and graduate loans.

Deleted Comments

~~The text for comments 047, 050, 112, 149, 158, 159, 170, and 171 will be displayed for SARs on the Web but will not be printed on page 3 of the paper SAR. On paper SARs, the information contained in these comments will be printed as variable text on the first page.~~

For 2008-2009, we redesigned the paper SAR to provide a more user-friendly document and to be more precise about the status of the application and what the student must do next. As part of this redesign process, the decision was made to remove the text for comment codes 047, 050, 112, 149, 158, 159, 170, and 171 from the paper SAR comments section on page three and instead to present the information contained in these comments as variable text in the appropriate section on the first page.

Because the text for these comments was replaced with variable text on the SAR and SAR Acknowledgement, we decided not to display or print the text on an ISIR printed from the EDEExpress for Windows 2008-2009 software. Please note, however, that the comment code numbers are included in the ISIR file and display in the FAA Information section of the printed ISIR. Schools using EDEExpress still have the ability to query their database using these comment code numbers.

When viewing or printing an ISIR using FAA Access to CPS Online, or when a student is viewing or printing his or her SAR information on the Web, the text for the affected comments will print. ISIRs printed from third-party software may not print the text for these comments, depending on how the software was programmed. We recommend consulting with your software vendor for more information.

Note for users of this guide: To assist you when reviewing a 2008-2009 SAR or ISIR that contains these comment codes, we have provided the text for the Web comments in this guide. If the comment text is preceded with “Web” the text will print on the ISIR from FAA Access to CPS Online and will display to the student on the Web.

In some cases, the text that was removed from the EDEExpress for Windows 2008-2009 software is the same as the Web text, and we note that where appropriate. In other cases, the text varies slightly from the Web version. We have also provided the SAR/ISIR text that was removed from EDEExpress. Schools using their own software and third-party software providers may, at their discretion, program their systems to include the text on printed ISIRs.

We posted an Electronic Announcement on March 20, 2008 regarding this change on the IFAP Web site (ifap.ed.gov/eannouncements/0320SARComment.html).

Modified Comments

- The text in the following comment codes was updated: 009, 016, 017, 019, 021, 022, 024, 025, 026, 030, 033, 036, 040, 051, 052, 053, 054, 056, 057, 060, 061, 069, 070, 072, 076, 078, 080, 082, 083, 084, 085, 087, 091, 092, 093, 095, 096, 097, 098, 104, 108, 113, 125, 127, 128, ~~138~~, 140, 145, 156, 157, 160, 161, 162, 164, 173, 178, 179, 180, 254, 256, 257, 260, and 267.
- Some of the more significant changes to the comment code text include:
 - Updated the phone number in comment 009.
 - Removed the hyphen in “re-entering.”
 - ~~In prior~~ **Last** years, comments 126 and 131 were associated with records where the student or parent **reported not filing a tax return but also reported an income amount that appeared to exceed the minimum amount required to file a tax return.** ~~updated their income but did not update their tax filing status from “will file.”~~ Because we changed this warning edit to a reject edit, these comments are now associated with the new reject code 20.
 - We updated all comments that reference question 21 (“Are you male or female?”) to reflect the changes to the response to the question.
 - We added “Please review these items” to comments that mention the student reported the same value for two different fields.
 - Expanded our “close to” or “exceeding loan limit” comments from two comments (256 and 257) to four comments (255 to 258) to distinguish between undergraduate limits or combined undergraduate and graduate limits.
 - **Added comments 281 and 282 for the new Teacher Education Assistance for College and Higher Education (TEACH) Grant Program.**

SAR C Code Changes

The SAR C code is set on a student's record based on his or her eligibility conditions. We added one new condition in 2008-2009 that will cause the SAR C code to be set on an application. When an undergraduate student's loans exceed the loan limit the SAR C code will be set and comment 255 will be on the student's record.

The following is a complete list of 2008-2009 comments that are associated with the SAR C code:

10, 20, 30, 33, 38, 39, 41, 42, 43, 46, 53, 54, 56, 57, 58, 63, 64, 65, 66, 67, 77, 79, 86, 90, 100, 101, 102, 105, 107, 109, 115, 116, 124, 132, 133, 134, 135, 136, 138, 141, 142, 144, 146, 162, 173, 180, 240, 241, 242, 243, 244, 246, 254, 255, 256, 260, 261, 262, 263, 264, 265, and 266.
