Looking for New Customers?

LIST YOUR COMPANY IN THE U.S. COMMERCIAL SERVICE'S BUSINESS SERVICE PROVIDERS DIRECTORY

Every year, the U.S. Commercial Service helps thousands of U.S. companies make international sales. In addition to the assistance we provide, these companies often seek a broad range of supplemental services to facilitate their export transactions. If you provide a product or service that may be useful to a U.S. exporter or an international buyer, use our **Business Service Providers (BSP) Directory** to promote your company to these prospective customers.

INCREASED VISIBILITY

For a low annual subscription fee your company's profile, including contact information and logo, will be listed in our online BSP Directory where it will be seen by thousands of prospective customers. And, since our website is linked to hundreds of U.S. Department of Commerce sites around the world, you're guaranteed greater visibility, not only within your local exporting community, but with a global community of U.S. exporters and international buyers.

TARGETED PROMOTION, GLOBAL EXPOSURE

Promote your company directly to likely prospects and gain international exposure at the same time. Your BSP company profile will be seen by:

- Commercial Service clients who already know what they need and are looking for companies to help them meet their objectives;

- U.S. exporters seeking help with the assessment, financing or completion of their export transactions; and

- International buyers who are looking to source goods and services from the United States.

meets your needs. We stand behind the quality of our products and services and are committed to providing you with first-rate customer service.
